in a deeper relationship with the one that I love so very much and that is my precious Lord Jesus This little book means so much to me because I can share the love of God with those I don't know or will never meet this side of heaven If I had a thousand tongue to speak with it would still not be enough to express my gratitude for the one who left the splendor of heaven to come to this cesspool of sin and to save a wretch like me Oh how I love him so But it is my holy and precious Jesus that loves me even more This book is not about Pearly Stanley It is all about the love of God for me I pray it blesses you the same way that it blessed me
