

A night sky filled with stars, with a bright shooting star streaking across the upper right portion. Below the sky, a dark landscape features silhouettes of trees on the left and mountains in the distance under a deep blue twilight sky.

## **A Falling Star**

**It saw amongst a bed of stars  
that twinkled in the sky  
A falling star like one of ours  
That fell from way up high**

**Gifts from heaven; that's what they are  
That God is sharing here  
If I could catch a falling star  
I'd know my Lord was near**

**I bow my head; hope and pray  
for one to go astray  
In hopes a star would ricochet  
and one would fall my way**

**In the eyes of a beholder  
The thought is so divine  
My long life is getting older  
Hoping; this catch be mine**
