dangerous threefold hunger that won't let her go especially when returning home means lies suspicion and the kind of judgment that can ruin a family The more Elara resists the louder the beast within roars and the more the Whisperwood demands she choose what she's willing to sacrifice for the truth of what she is and who she belongs to Craving the Touch of Forbidden Beasts is a steamy paranormal reverse harem why choose romantasy with primal tension moonlit bonding and three distinct monster lovers All characters are 18
