**Introduction to Management** Sarah Birrell Ivory,Emma Macdonald,2024 Written by experts inspired by practitioners focused on challenges Introduction to Management is an authentic introduction to management in an ever changing world

Introduction to Management is a uniquely accessible and engaging companion to managing in the real world. Placing issues of digital, environmental, and social disruption at center stage, it guides students through the varied and complex reality of management with ease, encouraging them to develop their own critical view of this dynamic area. Key features: Each chapter is authored by an expert who is an active researcher in their field, providing insights into the disruptions and challenges faced by managers today, from those on the forefront of current thinking. The running case study integrated throughout the text helps students bridge the gap between theory and real life, with thinking questions prompting them to put theory into practice. Practitioner videos embedded in every chapter of the e-Book offer an engaging and unique insight into the applications of theory in the workplace. Opening case studies in each chapter focus on organizations spanning the public, private, and non-profit sectors, demonstrating the relevance of management theory both within and beyond traditional business settings. A diverse and international range of real-world examples woven throughout the text offers a holistic view of management as a global phenomenon. Digital formats and resources: Introduction to Management is available for students and institutions to purchase in a variety of formats and is supported by extensive online resources. The e-Book offers a mobile experience and convenient access, with learning resources embedded and hyperlinked throughout to offer self-assessment activities and extra support. [www.oxfordtextbooks.co.uk/ebooks](http://www.oxfordtextbooks.co.uk/ebooks). The student resources accessible via the e-Book include Practitioner videos in every chapter, Self-test questions, Answer guidance to the end of chapter questions, Critical thinking guided exercises for each chapter, Flashcard glossary. The book's teaching resources accessible online for adopting lecturers include Additional case studies to use in class, PowerPoint slides to accompany each chapter, A test bank of multiple choice questions, Figures from the book available to download.

*Cases on Metaverse and Consumer Experiences* Gonçalves Rodrigues, Maria Antónia, Carvalho, Maria Amélia, Monteiro Pratas, Joaquim Fernando, 2025-02-27. The metaverse represents a transformative shift in how individuals and businesses interact, blending physical and virtual realities to create immersive digital experiences. Its rapid evolution, driven by advancements in virtual reality, augmented reality, and extended reality, is reshaping industries such as education, healthcare, retail, and entertainment. With projections of significant market growth and increasing user adoption, the metaverse is redefining consumer behavior, business strategies, and economic models. As younger generations embrace virtual experiences and digital ownership, organizations must adapt to new forms of engagement and communication. Understanding the opportunities and challenges of this emerging digital landscape is essential for shaping its impact on society, commerce, and policymaking. *Cases on Metaverse and Consumer Experiences* explores the use of the metaverse in companies' marketing practices. It examines the development of new businesses and the creation of consumer experiences using metaverse technology. This book covers topics such as ethics and law, machine learning, and patient care, and is a useful resource for academicians, researchers, business and marketing professionals, technology developers, entrepreneurs, policymakers, and more.
