Taking Children Seriously:

Taking Children Seriously Steve Decker, Angela Greenwood, Sandy Kirby, Dudley Moore, 1999-08-01 In times of great change and development in the education system those children who experience difficulties in school because they are emotionally troubled are particularly vulnerable Increasingly schools are under pressure to produce results which appear good in the public domain and so can feel forced to spend money on activities designed to enhance public reputation consequently neglecting those pupils who are difficult to teach because they are emotionally disturbed Taking Children Seriously has been written by those trained and working in this field to provide insights into how to apply ideas and theories taken from psychotherapy and counselling to the context of education The authors demonstrate to practising teachers approaches for working with feelings in the classroom and provide ideas which schools may wish to consider to supplement their present work with special needs pupils Steve Decker is a Chartered Psychologist and Head of Counselling Division at Anglia Polytechnic University Sandy Kirby is a counsellor and Professional Tutor at a London comprehensive Angela Greenwood is an educational therapist and special needs co ordinator who has worked in Britain and Zambia in the primary and pre school sectors Dudley Moore is a counsellor and former headteacher of a special school All four editors are founders of the Counselling and Therapy Service for Schools

Children Taken Seriously Jan Mason, Toby Fattore, 2005-01-15 In *Children Taken Seriously* leading researchers and policy makers consider how children can be recognized as social actors rather than passive consumers or victims Using children s own views and experiences as a starting point they explore how children can be involved as partners in the decision making processes that affect them in social work education health care and broader social policies Chapters on the theoretical background draw parallels between developments in children s and women s rights and discuss communication issues and social and sexual constructions of children Other chapters explore issues of policy and practice in a variety of areas from Family Group Conferencing and child protection to child labour and notions of active citizenship Highlighting the important role of schools in empowering children the authors discuss children s engagement in and participation in their own education and how children s rights theory influences debates over discipline This accessible and thought provoking book is a rich source of insight and ideas for social workers teachers mental health professionals and anyone working with children
