The High Holy Days:

Every Person's Guide to the High Holy Days Ronald H. Isaacs, 1998 To find more information on Rowman Littlefield titles please visit www.rlpbooks.com **Entering the High Holy Days** Reuven Hammer, 2005-07-01 The High Holy Days Rosh Hashanah and Yom Kippur are for many Jews the highlight of the Jewish year The liturgy for the Days of Awe are the longest and most complex of the year leaving a large number of attendees without a complete understanding of the occasion's significance Entering The High Holy Days provides historical background and interpretation of the ideas practices and liturgy and lends them contemporary relevance to today's Jews Reuven Hammer received his ordination and doctorate in theology from the Jewish Theological Seminary of America He is the former president of the Rabbinical Assembly and head of the Rabbinical Court of the Masorti Movement *The Holy Days of God, The Holidays of Man* Holly M. Snead, 2012-12 For two thousand years the Church Universal has celebrated the life of our Lord At Christmas we remember and celebrate his birth in a stable in Bethlehem We watch him grow to a young boy who sat at the feet of the Temple leaders and spoke wonders they could not understand We continue to watch him as he started his ministry and preached to his people of the promises of God to the people of Israel After his three years of ministry we prepare for his suffering and death and grieve at the foolishness of the people who could not believe We stand at his cross and watch as his disciples who followed him fled in fear for their lives but three days later we rejoice with the faithful women who went to the grave to grieve the loss of their Lord To their wonder and ours we rejoice in his resurrection and celebrate the life he has given us through his suffering death and resurrection We celebrate his ascension to Heaven with his promise that he would be with his disciples in the Presence of the Spirit to teach and prepare them for his return Ten days after his Ascension we witness and celebrate the Coming of the Spirit at Pentecost and rejoice in the birth of the Church We hear the words of Peter and sit in wonder of all the Spirit promised Then suddenly the Church stops its celebration There is silence for six months until in December we return to the stable in Bethlehem and start our celebration again What have we forgotten what do we neglect What are we missing Why has the celebration stopped at Pentecost Where is the mature Church the victorious Church Where is the promised Return of our Lord in His Father's Glory Where is the Bridegroom How much longer must the Bride wait Come with us as we learn the Rest of the Story and discover all we have missed because our celebrations stop at Pentecost God calls us to celebrate the entire story from beginning to end He promised his faithful remnant that he would return to them and they would dwell with him in His Presence He promised the rejoicing would have no end Come with us as we learn and celebrate the Rest of the Story A great tragedy of modern evangelical Christianity is the failure to either appreciate or to properly interpret the incredible significance of Israel's Feast Days The prophetic content of the feast days is normally given barely a summary acknowledgement and then forgotten Holly Snead has done the Christian community a great favor in bringing to the fore not only the typological significance of Israel's festal calendar but God's faithfulness in bringing all those feast days to final

fulfillment in Christ's Parousia What she brings to the reader is tremendous and exciting insight into how the NT writers applied Israel's feast days to the work of Christ If you have never considered Israel's New Moons feast days and sabbaths as they relate to the End Times you owe it to yourself to read this book Whatever you do read the Appendices These special studies are more than worth the price of the book all by themselves Don K Preston D Div President Preterist Research Institute www.eschatology.org **Jewish Traditions** Ronald L. Eisenberg,2010-01-01 In an encyclopedic reference for anyone who wants information about all things Jewish Eisenberg distills an immense amount of material from classic and contemporary sources into a single volume God's Biblical Festivals: Passover and The Feast of Unleavened Bread James Malm,2018-05-29 An in depth study of the Passover and Feast of Unleavened Bread with their prophetic and spiritual meaning Including the Egyptian Passover and the last Passover and crucifixion of Christ the Wave Offering and the resurrection of Christ and the Feast of Unleavened Bread journey out of bondage to Satan and sin Also includes the origin and meaning of Easter and the edict of Constantine concerning Passover Easter **The Reb and the Rebel** Carmel Schrire,Gwynne Schrire,2016-08-16 There is a vast and varied literature on the formation of 19th century Jewish diasporic communities worldwide Now added to this are the previously unpublished autobiographical works of two members of the Schrire family which form the core of *The Reb and the Rebel* mainly covering the period 1892-1913 They comprise a diary a poem and a memoir The first two written by Reb Yehuda Leib Schrire 1851-1912 and translated from pre Ben Yehuda Hebrew into English chart his journey through a number of countries including Lithuania Holland England and South Africa The third is by his son Harry Nathan 1895-1980 The social history within these documents paints a lively picture of South African Jewish communities at the turn of the 20th century They reveal tiny details of shipboard life below deck major issues of religious belief and practice in Lithuanian shtetls Johannesburg goldfields and District Six homes and global issues of mass migration pandemics and war They show how community formation in Cape Town replicates the orthodoxy of *der alte heym* even as the new generation is integrated into a life undreamed of in the Old Country Analyses of the contexts and authors together with Appendices which include a genealogy glossary and catalogued artworks combine here to make the South African Jewish past come alive **Multicultural Holidays** Julia Jasmine,1994 Background information on more than 75 holidays throughout the year includes suggestions for ways to observe these holidays in classrooms related activities student contracts and exciting culminating activities Page 2 of cover **The Holy Year; or, Hymns for Sundays, holydays, and daily use.
