The Male Whores Song

Jessica J Manson

The Male Whores Song:

The Rock Cover Song Doyle Greene, 2014-03-24 Cover songs operate as a form of cultural discourse across various musical genres and different societal historical and political conditions Case studies include a comparative analysis of Jimi Hendrix's and Whitney Houston's versions of The Star Spangled Banner as well as a mapping of the trajectory of I Can't Get No Satisfaction from the original version by the Rolling Stones through cover versions by Otis Redding Devo and Britney Spears The radical deconstruction of pop and rock songs by the Residents and Laibach is also examined with additional studies of cover songs by such as Van Halen Kim Wilde Rufus Harley the Four Tops Pat Boone and Johnny Cash Rather than questions of quality or how a cover song measures up as better or worse than other versions this book focuses on the ideological implications and social stakes of the same old songs as they are reconfigured to consider comment on and confront political issues of gender sexuality race the nation state and the generation gap Shan'ge, the 'Mountain Songs' Yasushi OKI, Paolo Santangelo, 2011-02-17 Mountain Songs is a collection of folk songs edited by the famous writer Feng Menglong 1574-1646 By this innovative work mainly written in the Suzhou dialect he aimed to revitalize poetry through the power of popular songs This collection is very significant to the understanding of the characters of the mobile society of Jiangnan and the vitality of its intellectual world The songs deal with the lives of common people women often prostitutes boatmen peasants hunters fishers and paddlers Their spirit is far from the orthodox moral intents that Zhu Xi advocated for interpreting the Shijing and their language is often vulgar and full of crude expressions or salacious double meanings and contains allusions to sexual and erotic behaviour *Authorship and Greek Song: Authority, Authenticity, and Performance*, 2017-02-20 Authorship and Greek Song is a collection of papers dealing with various aspects of authorship in the song culture of Ancient Greece In this cultural context the idea of the poet as author of his poems is complicated by the fact that poetry in archaic Greece circulated as songs performed for a variety of audiences both local and global Panhellenic The volume's chapters discuss questions about the importance of the singers performers the nature of the performance occasion the status of the poet the authority of the poet author and or that of the performer and the issues of authenticity arising when poems are composed under a given poet's name The volume offers discussions of major authors such as Pindar Sappho and Theognis Cabin Boys, Milkmaids, and Rough Seas Jessica M. Floyd, 2024-08-30 During his correspondence with erotic folklore collector Gershon Legman famed chantey singer and collector Stan Hugill 1906-1992 shared unexpurgated versions of the songs in his repertoire These bawdy songs were meant to be a part of Legman's larger project concerning erotic folksong Upon Legman's death in 1999 the unfinished and unpublished manuscript sank into obscurity and was believed by many to be permanently lost Thankfully this holy grail of chantey texts had been safe in the private collection of Legman's widow Judith Legman all along Cabin Boys Milkmaids and Rough Seas Identity in the Unexpurgated Repertoire of Stan Hugill is the first critical investigation of this repository reproduced here for the first time Training an interdisciplinary lens on

twenty four unexpurgated texts author Jessica M Floyd interrogates the articulation of gender sexuality and identity as it is expressed in these cultural artifacts of the sea Opening with both a critical explication of the chantey genre as well as situating Hugill s repertoire in the canon of folksong the book introduces readers to the critical realities that attend this rich cultural tradition Analytical chapters demonstrate the kaleidoscopic representation of gender and sexuality in this finite repertoire Each inquiry is connected and overlapping demonstrating an ebb and flow not unlike the waters on which the songs were sung Words of warning heteronormative economies and queer undercurrents each collide to present an image of sailing life that is nuanced and complicated provocative and evocative transgressive and sometimes radical The volume allows scholars to place a finger on the pulse of maritime life feeling and experiencing one voice among the din of working class song traditions

Sexuality and Edo Culture, 1750-1850 ,1995 *The Male Homosexual in Literature* Ian Young,1982

Song of Songs and Lamentations, Volume 23B Duane Garrett,Dr. Paul R. House,2018-04-24 The Word Biblical Commentary delivers the best in biblical scholarship from the leading scholars of our day who share a commitment to Scripture as divine revelation This series emphasizes a thorough analysis of textual linguistic structural and theological evidence The result is judicious and balanced insight into the meanings of the text in the framework of biblical theology These widely acclaimed commentaries serve as exceptional resources for the professional theologian and instructor the seminary or university student the working minister and everyone concerned with building theological understanding from a solid base of biblical scholarship Overview of Commentary Organization Introduction covers issues pertaining to the whole book including context date authorship composition interpretive issues purpose and theology Each section of the commentary includes Pericope Bibliography a helpful resource containing the most important works that pertain to each particular pericope Translation the author s own translation of the biblical text reflecting the end result of exegesis and attending to Hebrew and Greek idiomatic usage of words phrases and tenses yet in reasonably good English Notes the author s notes to the translation that address any textual variants grammatical forms syntactical constructions basic meanings of words and problems of translation Form Structure Setting a discussion of redaction genre sources and tradition as they concern the origin of the pericope its canonical form and its relation to the biblical and extra biblical contexts in order to illuminate the structure and character of the pericope Rhetorical or compositional features important to understanding the passage are also introduced here Comment verse by verse interpretation of the text and dialogue with other interpreters engaging with current opinion and scholarly research Explanation brings together all the results of the discussion in previous sections to expose the meaning and intention of the text at several levels 1 within the context of the book itself 2 its meaning in the OT or NT 3 its place in the entire canon 4 theological relevance to broader OT or NT issues General Bibliography occurring at the end of each volume this extensive bibliography contains all sources used anywhere in the commentary

Football, Politics and Identity James Carr,Daniel Parnell,Paul Widdop,Martin J. Power,Stephen R. Millar,2021-06-06 This

book presents a series of fascinating case studies that show how the lives and bodies of club players and fans around the world are enmeshed with politics. It draws on original research in countries including England, Scotland, Ireland, Poland, Mexico, Algeria, and Argentina and includes both historical and contemporary perspectives. It explores some of the most important themes in the study of sport, including sectarianism, migration, fan activism, and national identity, and shows how football continues to be tied to political events, symbols, and movements. This is fascinating reading for any student or researcher working in sport studies, political science, sociology, or contemporary history.

Men and Masculinity in the Hebrew Bible and Beyond
Edited by Ovidiu Creangă. The study of masculinity in the Bible is increasingly becoming established as a field of critical inquiry in biblical gender studies. This book highlights a variety of methodological approaches that reveal the complex and multifaceted construction of masculinity in biblical and post-biblical literature. It focuses uniquely and explicitly on men and the world they inhabit, documenting changes in the type of men and masculinities deemed legitimate or illegitimate across various social and historical contexts of the ancient Near East. At the same time, it interrogates readers' assumptions about the writers' positioning of male bodies, sexuality, and relationships in a gender order created to reflect men's interests, yet in need of constant reordering. In this volume, specific features of biblical masculinity are explored: the masculinity of less favoured sons in Genesis; Susan Haddox, the ideology of Temple masculinity in Chronicles; Roland Boer, the masculinity of Moses; Brian DiPalma, the performative nature of masculinity in the Sinai episode; David Clines, Deuteronomy's regimentation of masculinity; Mark George, Joshua's hegemonic masculinity in the Conquest Narrative; Ovidiu Creangă, Na'aman's disability in relation to ideologies of masculinity; Cheryl Strimple and Ovidiu Creangă, Job's position as a man in charge in the Testament of Job; Maria Haralambakis, Priestly notions of sexuality in the covenant of the rainbow and circumcision in Genesis; Sandra Jacobs, Samson's masculinity in terms of male honour; Ela Lazarewicz Wyrzykowska, the popular depiction of Jeremiah as a lamenting prophet against the book of Jeremiah's male ideology; C. J. Patrick Davis, the gendered interaction of a Bible study group with Daniel's dreams; Andrew Todd. Finally, David J. A. Clines and Stephen D. Moore offer closing critical reflections that situate the book's topics within a broader spectrum of issues in masculinity.

Dear Uncle Go Peter A. Jackson, 1995
London Theatre Record, 1991 *Proceedings of the ... Annual Meeting of the Western Society for French History*
Western Society for French History. Meeting, 2003 **Shakespearean Criticism**, 1984. This detailed series provides comprehensive coverage of critical interpretations of the plays of Shakespeare. Volumes one through ten present critical overviews of each play and feature criticism from the 17th century to the present. Volumes 27-56 focus on criticism published

after 1960 and provide readers with thematic approaches to Shakespeare's works. The plays theme or focus of this volume include psychoanalytic criticism Hamlet and Macbeth. Publisher
