**The Rivers End** James Curwood,2016-08-22 In *The River's End* two men who resemble each other physically lead very different lives Conniston is a member of the Northwest Mounted Police Keith is an outlaw This physical trait linked these men together

*River's End* James Oliver Curwood,2018-05-16 In this bestselling frontier adventure two men on opposite sides of the law bear an uncanny resemblance to each other When one dies the survivor assumes the other's identity only to fall into a plot involving blackmail murder and forbidden love

**The River's End** James Oliver Curwood,1919 Story of God's country

**The River's End** James Curwood,2018-03-08 Between Conniston of His Majesty's Royal Northwest Mounted Police and Keith the outlaw there was a striking physical and facial resemblance Both had observed it of course It gave them a sort of confidence in each other Between them it hovered in a subtle and unanalyzed presence that was constantly suggesting to Conniston a line of action that would have made him a traitor to his oath of duty For nearly a month he had crushed down the whispered temptings of this thing between them He represented the law He was the law For twenty seven months he had followed Keith and always there had been in his mind that parting injunction of the splendid service of which he was a part Don't come back until you get your man dead or alive Otherwise A racking cough split in upon his thoughts He sat up on the edge of the cot and at the gasping cry of pain that came with the red stain of blood on his lips Keith went to him and with a strong arm supported his shoulders

*Where the River Ends* Shaylih Muehlmann,2013-05-23 Living in the northwest of Mexico the Cucap people have relied on fishing as a means of subsistence for generations but in the last several decades that practice has been curtailed by water scarcity and government restrictions The Colorado River once met the Gulf of California near the village where Shaylih Muehlmann conducted ethnographic research but now as a result of a treaty 90 percent of the water from the Colorado is diverted before it reaches Mexico The remaining water is increasingly directed to the manufacturing industry in Tijuana and Mexicali Since 1993 the Mexican government has denied the Cucap people fishing rights on environmental grounds While the Cucap have continued to fish in the Gulf of California federal

inspectors and the Mexican military are pressuring them to stop The government maintains that the Cucap are not sufficiently indigenous to warrant preferred fishing rights Like many indigenous people in Mexico most Cucap people no longer speak their indigenous language they are highly integrated into nonindigenous social networks Where the River Ends is a moving look at how the Cucap people have experienced and responded to the diversion of the Colorado River and the Mexican state s attempts to regulate the environmental crisis that followed [To the River's End](#) Lawrence George Green,1949 **The River's End** Curwood James Oliver 1878-1927,HardPress,2013-06 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy **The River's End (Illustrated)** James Oliver Curwood,2022-12-11 The River s End is a 1919 western novel by the American writer James Oliver Curwood A Mountie pursues an escaped convict but later attempts to clear his name [The River's End](#) Oliver James Curwood,2008-09-01 **The River's End:(illustrated Edition)** James Oliver Curwood,2021-05-29 The River s End is a 1919 western novel by the American writer James Oliver Curwood A Mountie pursues an escaped convict but later attempts to clear his name **The River's End** Curwood James Oliver 1878-1927,HardPress,2013-06 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy [The Meaning of Rivers](#) T.
