Uncle Sims:

Memoir Cliff Roberts,2010-08 Aunt Sarah's Locket Ann Artis,2016-01-26 I share this story about my life from childhood to adulthood while telling how my maternal grandmother that I was not aware existed gave me a locket in secret while visiting me for the very first time when I was twelve years old I explained here why and how I was able to hide the locket for fifty five years I tell my story of the locket through a series of unusual events where things were surprisingly revealed to me about an ancestry that I never knew existed on my mother s side of the family I relate how that locket kept silent and never opened itself for years until it was the perfect time to reveal its true meaning to me I explained the feeling of total joy and excitement I have once I discovered for certain that I have real blood relatives on my mother s side of the family not just step relatives or adopted family members My desire to help my youngest granddaughter understand the importance of the locket as I pass it down to her compelled me to write about the events surrounding Aunt Sarah s locket and just how I discovered what I had been given by my grandmother over fifty five years ago **The Two Firesides; Or, the Mechanic and the Tradesman.
