my first time he said rather apologetically I was right He was a first time caller And he was coming with this sir stuff that I haven t heard on the show for such a long time Since I became a buddy and household name to my callers in Lagos everybody was quick to address me just as SST There was no sir or Mr for me now For a caller not to call me with my familiar initials could imply he was a new person on the sho as I call it And nobody wants to be seen as a new person on the show in Lagos Anyway I think I like the guy He sounded a little cultured and might even turn out to be a gentleman A gentleman in Lagos Well why not You never know as they say OK you are welcome to the motivation dance club and as you know I am DJ SST and we dont need introduction on the motivation dance club in Lagos We just need more people to move on to our dance floor and show us their dancing steps I was trying to loosen the tension that he exhibited in his voice Yes thanks sir he said

Verrett,2020-02-17 In this study Brian A Verrett argues that 1 2 Samuel contains a serpent motif by practicing biblical theology and literary criticism This motif derives from the serpent in Genesis 3 and its function within the Samuel narrative is to heighten the reader s anticipation in the coming messiah who is the son of David and the seed of the woman from Genesis 3 15 This messiah will defeat the serpent and inaugurate his glorious reign over a renewed world When 1 2 Samuel is read in this way one appreciates previously unnoticed features of the text understands aspects of the text that were formerly confusing and rightly sees that the whole of 1 2 Samuel is a messianic document *Genealogical chronology of the world before Christ, ed. by K.A.
