

Definition

- Electronic field production abbreviated as *EFP* is a term used widely in television-industry for video production that takes place *in the field* , in other words any sort of production that takes place outside of a formal television studio. Examples of Electronic Field Production are all the happenings taking place truly outside.
- Field events such as nature documentaries or reporting on spontaneous riots/jalsas to sporting events, awards shows, concerts, interviews that take place outside of a formal production studio, reports from large conventions like Dawn Educational Expo etc are all examples of Electronic Field Production.
