View From The Divide Creative Nonfiction:

A View from the Divide Lee Gutkind, 1998 In the tradition of Lewis Thomas Stephen J Gould and Oliver Sachs this special double issue of Creative Nonfiction the only exclusively nonfiction literary journal demonstrates the many ways in which aspects of the scientific world from biology medicine physics and astronomy can be captured and dramatized for a humanities oriented readership Edited and introduced by the award winning author of *Many Sleepless Nights An Unspoken Art* and *A View from the Divide* includes a diverse range of voices from poets to immunologists and physicists from established writers to up and coming new talent Creative Nonfiction ,2005 **Scientists and Poets #Resist** Sandra L. Faulkner, Andrea England, 2020-03-09 *Scientists and Poets Resist* is a collection of creative nonfiction personal narrative and poetry This volume is a conversation between poets and scientists and a dialogue between art and science The authors are poets scientists and poet scientists who use the seven words vulnerable entitlement diversity transgender fetus evidence based and science based banned by the Trump administration in official Health and Human Service documents in December 2017 in their contributions The contributors use the seven words to discuss their work reactions to their work and the creative environment in which they work The resulting collection is an act of resistance a political commentary a conversation between scientists and poets and a dialogue of collective voices using banned words as a rallying cry **Scientists and Poets Resist** a warning that censorship is an issue connecting us all an issue requiring a collective aesthetic response This book can be read for pleasure is a great choice for book clubs and can be used as a springboard for reflection and discussion in a range of courses in the social sciences education and creative writing **Sassoon On The Art Of Creative Writing** Elias Sassoon, 2011-02-23 The book is a compilation of articles I wrote for my daily blog on Facebook The focal point is the life of the everyday beaten down writer and what it takes to be a writer facing the ordinary adversities of the craft I don't try to sugarcoat anything instead I attempt to let you know what it means to be a functioning writer who struggles for each word and struggles with the lack of financial and commercial success How does the ordinary writer who works at a mundane job by day and writes by night hold it together How do they continue to be productive How do they continue to inspire themselves in a world that doesn't care How do they keep themselves from becoming bored All of this is explored in the articles contained in this small book on the creative writing process I hope it can act as an inside look to all those interested in the subject or working in the field **MHR** ,1987 **Medical Humanities Review** ,2000 **Creative Writing For Dummies** Maggie Hamand, 2023-10-03 Unlock your creative potential and write something special Ever dream of writing a book article poem or play that means something to you and maybe to someone else as well Do you have an idea you're ready to get down on paper In *Creative Writing For Dummies* you'll learn how to unleash your creative side and become a confident and productive writer Discover the essential elements of storytelling including structure characterization setting dialogue and plot as you navigate the countless ways you can express yourself with the written word Explore the

media and methods you can use to help find an audience from traditional to self publishing social media blogging and more Creative Writing For Dummies also shows you how to Write in all sorts of different formats including screenplays scripts creative nonfiction poetry short stories novels and beyond Navigate the world of social media and learn how it can contribute to getting your work read by more people in more places Understand the new online nature of contemporary journalism and the proliferation of news and blogging sites A can't miss roadmap to getting your first or hundred and first story poem or script committed to paper Creative Writing For Dummies is an essential read for aspiring amateur and professional writers everywhere

Theories of Creative Writing Studies Ge Hongbing, 2025-08-15 This book provides a groundbreaking approach to creative writing theory offering a comprehensive exploration of its core principles and methodologies Focusing on creative writing as an ontological practice it redefines the essence of literature and writing while integrating new perspectives on AI assisted writing creative industries and writing pedagogy This work combines Chinese and global views to address the pressing need for a systematic theoretical framework in the field of creative writing It is intended for graduate students researchers and educators in creative writing literary studies and cultural industries The book offers valuable insights into the evolving landscape of creative writing theory and its application in education industry and culture Key features include its original theoretical framework an interdisciplinary approach that connects theory and practice and the exploration of AI's impact on creative writing This book is a must have resource for advancing both academic and practical understanding of creative writing

Room of One's Own, 1998 *Rage & Reconciliation* Lee Gutkind, 2005 In these often intense and searing personal essays a lawyer describes her searing emotions over a misdiagnosis of what she was told was an inoperable tumor and her anger at her physician's cavalier attitude about the mistake a physician formerly employed by an HMO rails at the accepted practice of managed care organizations finding legal loopholes to trump a patient's needs a physician wrestles with the idea of doctors policing themselves knowing he is powerless in the face of an incompetent colleague An expansion of a special issue of the journal Creative Nonfiction this volume of essays by patients and their caretakers physicians and health care providers is intended to serve as a foundation for future dialogue and a means to begin to heal the wounds in our health care system The accompanying 80 minute audio CD contains three of the essays read by actors and a panel discussion of the ethical dimension of the issues raised
