**Child Psychopathology** Barry H. Schneider, 2014-12-04 This textbook covers the classification causes treatment and prevention of psychological disorders in the infant through the adolescent years Chapters balance the social and historical context of psychopathology with the physiological roots of abnormal behavior leading students to a comprehensive understanding of child psychopathology The book is totally up to date including coverage of the DSM 5 and criticisms of it In four parts this textbook describes the empirical bases of child psychopathology as well as the practice of child psychologists outlining the classification and causes of disorders in addition to methods of assessment intervention and treatment Students will be able to evaluate the treatments used by professionals and debunk popular myths about atypical behavior and its treatment Complementing the lively writing style text boxes clinical case studies and numerous examples from international cultures and countries add context to chapter material Study questions diagrams and a glossary offer further learning support

*Ontologies of Violence* Maxwell Kennel, 2023-07-24 *Ontologies of Violence* provides a new paradigm for understanding the concept of violence through comparative interpretations of French philosopher Jacques Derrida philosophical theologians in the Mennonite pacifist tradition and Grace M Jantzen s feminist philosophy of religion By drawing out and challenging the remarkably similar priorities shared by its three sources and by challenging the assumption that differences necessarily lead to displacement *Ontologies of Violence* provides a critical theory of violence by treating it as a diagnostic concept that implies the violation of value laden boundaries

**The American Friend**, 1923 **Trans+** Kathryn Gonzales, Karen Rayne, 2019-12-03 This groundbreaking all inclusive uncensored must have guide is for teens who identify as transgender nonbinary gender non conforming gender fluid or are questioning their gender identity or how they express themselves and for their cis allies and advocates Gender is hard Really hard because it is made up it s a way that humans have developed over the millennia to simplify how we see and interact with our complex and messy world and to classify and categorize all the people in it The concept of gender has changed over time and not everyone agrees on the ways gender works or how to define it But individuals alone are the ones who gets to determine for themselves what gender means and how to live it *Trans* answers hard questions about gender expression and identity covers mental health and wellness as well as developing bodies and reproduction transitioning medically socially and legally healthy vs unhealthy relationships sex and pleasure and life as a trans or nonbinary individual It s full of essential information teens need and want and includes up close and personal stories from the authors and trans youth evocatively relating their own experiences of love sex romance and just being their wonderful selves But perhaps most importantly *Trans* will remind readers that no matter where they may live and who they are transgender and non binary people have often held a revered place in their societies as shamans healer leaders and esteemed rulers And just like their ancestors they are perfect whole and complete beings no less than the stars and stardust covering the entire universe 2020 ALA Rainbow Book List Selection A Bank Street College Best Book of the Year
