Children's Counting and Concepts of Number Karen C. Fuson,2012-12-06 For some time now the study of cognitive development has been far and away the most active discipline within developmental psychology Although there would be much disagreement as to the exact proportion of papers published in developmental journals that could be considered cognitive 50% seems like a conservative estimate Hence a series of scholarly books to be devoted to work in cognitive development is especially appropriate at this time The Springer Series in Cognitive Development contains two basic types of books namely edited collections of original chapters by several authors and original volumes written by one author or a small group of authors The flagship for the Springer Series is a serial publication of the advances type carrying the subtitle Progress in Cognitive Development Research Volumes in the Progress sequence are strongly thematic in that each is limited to some well defined domain of cognitive developmental research e g logical and mathematical development semantic development All Progress volumes are edited collections Editors of such books upon consultation with the Series Editor may elect to have their works published either as contributions to the Progress sequence or as separate volumes All books written by one author or a small group of authors will be published as separate volumes within the series is being used in the selec A fairly broad definition of cognitive development tion of books for this series *The playboy and James Bond* Claire Hines,2018-02-19 This is the first book to focus on James Bond s relationship to the playboy ideal through the sixties and beyond Examining aspects of the Bond phenomenon and the playboy lifestyle it considers how ideas of gender and consumption were manipulated to construct and reflect a powerful male fantasy in the post war era This analysis of the close association and relations between the emerging cultural icons of James Bond and the playboy is particularly concerned with Sean Connery s definitive Bond as he was promoted and used by the media By exploring the connections that developed between Bond and Playboy magazine within a historical framework the book offers new insights into these related phenomena and their enduring legacy in popular culture *Zero Minus Ten Special Promotion Edition* Raymond Benson,1998-12-31 *The Planet Seekers* Lee Barton,Lionel Fanthorpe,Patricia Fanthorpe,2015-04-30 A strange new race of modified men had fantastic powers and a kind of immortality But something the human touch itself had been lost and in consequence a terrible barrier grew It looked as if a cataclysmic war would be inevitable **Vocabulary in Use Basic Student's Book with Answers** Michael McCarthy,Felicity O'Dell,2010-01-26 This is an American English equivalent of English Vocabulary in Use It presents and explains new words and phrases through extensive practice with exercises and activities The Somme A.H. Farrar-Hockley,2016-06-09 Originally published in 1964 this is a critically acclaimed classic history of the military engagements of the Somme that raged from July to November 1916 It tells of bloody battles interspersed with trench actions of dreadful intensity In addition to the key confrontations Farrar Hockley provides a detailed

background to the Somme planning and why it failed with dreadful casualties In its entirety the conflict along the Somme scarred the minds of a whole generation becoming recorded by historians as the graveyard of the flower of British manhood With a new introduction by Charles Messenger and a touching foreword by the author's son Dair Farrar Hockley this new edition of *The Somme* is a testament to those who gave their lives on this famous battlefield *The Uninvited* John E.
