Peter Dendle, 2010-07-27 Zombies are cautionary forms of humankind's most universally cherished ideal life after death Ragged ill spoken rotting zombies or the post dead seem socially awkward beside the more popular and aristocratic undead like Count Dracula The humble zombie remains for the most part unappreciated and unacknowledged until now The first exhaustive historical overview of zombie films this book's lengthy entries evaluate more than 200 movies from 16 countries over a 65 year period from the early 1930s to the late 1990s It covers everything from large studio films to backyard videography and touches on memorable television episodes and miscellaneous shorts An introduction traces the evolution of the genre and interprets the broader significance of the zombie in contemporary Western mythology **The Palgrave Handbook of the Zombie**

Simon Bacon, 2025-12-26 This Handbook is a unique encompassing overview of the figure of the Zombie This project will show that while there are many zombies and many texts about zombies it is still often mistakenly viewed as little more than a sub genre of Horror However its history and multiplicity warrants something far more ambitious in terms of cataloguing and defining its many forms types and possible readings Consequently this Handbook proposes to feature elements of all the many and varied representations narratives and theories of the zombie across cultures histories and mediums to show that it is not just as multifaceted story world but is much more akin to a genre in its own right or what we might term the Zombie Megatext [Zombie High Chronicles #1](#)

Amy Miles, 2016-07-07 Three months ago my world went to hell and never looked back I knew long before the others that we were all officially screwed Growing up as an army brat had taught me a few things Like when the military enacted martial law and forced you to leave your home a normal day would be anything but Life in the Safe Zone sucked The soldiers could poke us like lab rats load us up on buses bound for school and pretend like everything was normal but I knew fear when I saw it and the soldiers manning the gates were gripping their guns just a little too hard for comfort This place used to be a typical last place on earth anything would ever happen slice of suburbia Until they happened Dead Heads Stiffs Lame Brains We had a lot of names for them to replace dad sister or son Something flipped a switch in their brains and the lights went out but I suspected that the

blackout was only temporary I d seen things I wasn t supposed to The Dead Heads were starting to notice us for the first time
