Taking Away

Henry Roscoe, Horace Smith

Taking Away:

Animal Math: Adding, Taking Away, and Skip Counting Tracey Steffora, 2014 It's time for some math antics so get ready for some roaring success This big book uses high interest photographs of ants tigers and meerkats to teach the key math concepts of adding taking away and skip counting Illustrated with cut out photos of the animals on striking colourful backgrounds the book is sure to capture the attention of reluctant mathematicians everywhere

Two Orations Against Taking Away Human Life Under Any Circumstances Thomas Cooper, 1846

Taking Away the Pound Elizabeth V. Dowling, 2007-04-26 Against the majority opinion this study argues that the Lukan Parable of the Talents Lk 19 11 28 is a story about the use and abuse of power The parable is also the story of those who suffer adverse consequences when they oppose unjust power structures This suppression of challenge to oppressive structures evidenced in the Parable of the Pounds fits a pattern that operates in other parts of the Lukan Gospel We meet it for example in the arrest and killing of John the Baptist by Herod and in the arrest and crucifixion of Jesus The Parable of the Pounds can be seen as a paradigm for the stories of those characters in the Lukan Gospel who lose their pound when they challenge an oppressive structure where pound becomes a metaphor for what one has that can be potentially taken away by those in a position of power This study argues that this pattern of taking away the pound is also seen within stories of women characters who resist patriarchal ideals and expectations The Parable of the Pounds is used as a lens through which to view the characterizations of Lukan women New lenses provide new opportunities for perception This study explores what is opened up by this way of viewing the text In particular it explores the ways in which the dynamic of the Parable of the Pounds gives insight into the dynamic operating in the Lukan women's characterizations LNTS
