Talent Edge:

The Talent Edge David S. Cohen, 2009-04-29 A practical step by step approach to hiring the right person Every hiring manager knows that the traditional hiring and interviewing process is a poor tool for predicting organizational fit and future on the job success Behavioral interviewing can improve your chances of picking the right candidate two to five times over traditional processes It focuses on how the candidate works rather than on skills qualifications and impressions The Talent Edge shows how you can develop a concrete understanding of what your own top performers do differently than the majority of their peers and how to translate that knowledge into a better hiring system While using case studies from organizations that have successfully transformed their hiring practices the book articulates the business case for a Behavioral Interviewing system and provides a roadmap for implementing it Comprehensive coverage includes how to write job profiles and translate them into questions and answers that can be used in the interview how to prepare for the interview ask questions and probe for the right information The book also offers advice on how behaviors that are defined and proven to be useful in the hiring process can be incorporated into performance management career development and succession planning **Human**

circa 1960 *Stories I'll Bury in Bloompatch* is Thomas James Bruner's joyous and vivid reminiscence of a year in his childhood. What makes this trip down memory lane unique is that it is not told from an adult point of view. Bruner places himself back in time telling his stories from the vantage point of a ten-year-old boy who questions the adult world and wonders what his destiny will be. The boy's journey of discovery includes a terrifying ordeal into the depths of a haunted basement, the realization of the magic of Christmas, a meeting with a baseball legend, the death of loved ones ever present bullies and hometown heroes, and his own scrape with death. There is plenty of humor, but the book is not a comedy. There are lots of tears, but the book is not a tragedy. The stories are true, and in all true stories, there is laughter and there are tears. There are also wonderful characters who inhabit the town: Charlie and Toad Swede and Shorty Cat and Freddy, Father Hitler, and Sister Austere, and all the others. You'll meet them all in a place called Bloompatch.

Everybody Wins Phil Harkins, Keith Hollihan, 2006-01-30. An inside look at one of the world's most successful real estate companies. RE MAX was founded over 30 years ago in Denver, Colorado, based upon a revolutionary idea for a new system of selling real estate. Since then, RE MAX has experienced over 380 straight months of explosive growth. In *Everybody Wins*, authors Phil Harkins and Keith Hollihan reveal how RE MAX has achieved such phenomenal success by examining the company's strategy, culture, and leadership. Harkins, with the full cooperation of RE MAX, led a research team that closely studied RE MAX as well as comparable fast-growing companies. The team observed critical meetings, attended conventions, dug through historical archives, and conducted extensive interviews with more than 50 key RE MAX leaders. The outcome is an insightful and engaging account of one of the world's most successful companies. Order your copy today.
