Uncertain Glory:

The Right to Education in India Florian Matthey-Prakash, 2019-08-22 What does it mean for education to be a fundamental right and how may children benefit from it Surprisingly even when the right to education was added to the Indian Constitution as Article 21A this question barely received any attention The book identifies justiciability or more broadly enforceability as the most important feature of Article 21A meaning that children and their parents must be provided with means to effectively claim their right from the State otherwise it would remain a right only on paper The book highlights how lack of access to the Indian judiciary means that the constitutional promise of justiciability remains unfulfilled It deals with the possible alternative means the State may provide for the poor to claim the benefits under Article 21A and identifies the grievance redress mechanism created by the Right of Children to Free and Compulsory Education Act 2009 as a potential system of enforcement Even though this system is found to be deficient the book concludes with an optimistic outlook hoping that rights advocates may in the future focus on improving such mechanisms for legal empowerment Shakespeare's Himself Again Andrew Becket, 1815 **A Concordance to Shakespeare** Andrew Becket, 1787 Errol Flynn Robert Florczyk, 2022-02-28 Though there have been myriad books on Errol Flynn scores of biographies film studies analyses etc there has never been one that unfurls his dashing life day by day predominantly through photos letters news clippings and documents This book does so from Flynn's birth in Hobart Australia in 1909 through to his death in Vancouver Canada in 1959 with over 1 000 images many rarely or never before published culled from Florczyk's personal collection of over 11 000 The book is the result of the author's travels around the world to photograph locations key to Flynn's life and with text gathered from years of research in the Warner Bros Archives the USC Cinematic Arts Library and the Margaret Herrick Library Among other popular day by day pictorial biographies are those of Frank Sinatra Marilyn Monroe Judy Garland Ernest Hemingway Elvis Presley The Beatles and Eric Clapton Flynn's colorful life was lived out on the world stage and a better candidate for a book of this style would be hard to find **The Writing of the Nation by Its Elite** MK Raghavendra, 2021-07-15 This volume examines the idea of India as it emerges in the writing of its anglophone elite post 2000 Drawing on a variety of genres including fiction histories non-fiction assessments economic political and business travel accounts and so on this book maps the explosion of English language writing in India after the economic liberalization and points to the nation's sense of its growing importance as a producer of culture From Ramachandra Guha to William Dalrymple from Arundhati Roy to Pankaj Mishra from Jhumpa Lahiri to Amitav Ghosh from Amartya Sen to Gurcharan Das from Barkha Dutt to Tarun Tejpal this investigation takes us from aesthetic imaginings of the nation to its fractured political fault lines the ideological predispositions of the writers often pointing to an asymmetrically constituted India A major intervention on how postcolonial India is written about and imagined in the anglophone world this book will be of great interest to scholars and researchers of cultural studies literature history and South Asian studies It will also be of interest to
