Uncle Robbie:

My Projects Lashawn Elliott Rogers,2014-03-24 Phoebe Tom Malcolm Chloe and Pee Wee are all good friends growing up down the way See how their lives unfold to deal with the trials tribulations relationships and death Will their lives unfold for the best Can they finally find a way to overcome the harsh reality of the projects and become successful citizens Or will the projects destroy them as individuals Tales of Cybercrime and Other Cyber Tales Eamon P. Doherty Ph.D.,2011-05-25 The book is a fictional story about three generations of people and their online and offline computer related activities Sometimes the activity is lawful and at other times it is not The dialogue from each person teaches us about digital forensics Cybercrime or just the dangers that exist online **Fear & Hope** Luke Marusiak,2013-06 The collapse of the steel industry in the 1970s hit Western Pennsylvania hard Hundreds of thousands lost their livelihoods population sank schools closed and despair ruled many In the midst of these trials the destinies of three who came of age during that time Philip Bennet Liam Conti and Ruth O'Brien were determined by the choice they made that of fear or that of hope As the three grapple with their situation and their yearning for significance they discover their fight is part of a much larger struggle Excerpt from the preface Barack Obama referring to Pennsylvanians April 2008 It's not surprising then that they get bitter they cling to guns or religion or antipathy to people who aren't like them That characterization is so far from the truth an answer is in order Fear Hope is intended to be that answer This novel is meant first of all to entertain because the Western Pennsylvania tragedies and triumphs are one heck of a story But it is also in some small measure meant to both rebuff Mr Obama's pompous marginalization and point out the cautionary tales of high cost mistakes made then that are being repeated today This novel is part of the Good Fight Series and overlaps times and characters of Marx Ford Loud Clear and the upcoming Gold Glory
