We Feed Deer Open Court Staff, *Deerland* Al Cambronne,2013-03-21 In 1942 America fell in love with Bambi But now that love affair has turned sour Behind the unassuming grace and majesty of America s whitetail deer is the laundry list of human health social and ecological problems that they cause They destroy crops threaten motorists and spread Lyme disease all across the United States In *Deerland* Al Cambronne travels across the country speaking to everybody from frustrated farmers to camo clad hunters to humble deer enthusiasts in order to get a better grasp of the whitetail situation He discovers that the politics surrounding deer run surprisingly deep with a burgeoning hunting infrastructure supported by state government and community businesses Cambronne examines our history with the whitetail pinpoints where our ecological problems began and outlines the environmental disasters we can expect if our deer population continues to go unchecked With over 30 million whitetail in the US *Deerland* is a timely and insightful look at the ecological destruction being wrecked by this innocent and adored species Cambronne asks tough questions about our environment s future and makes the impact this invasion has on our own backyards *Forest and Stream* ,1891 From the Trenches N.S Jordan,2019-01-18 Have you ever been chased by a ghost or felt one Hounded by a reporter or a ghost chaser Or be asked to check out a property to see if it s haunted Ever chased a seller s runaway dog down the street in high heels or got bitten by one From suburban deer hunting tenants naked homeowners and stories that would make a good scene for a Hitchcock Thriller to voodoo hoodoo and all kind of craziness Get ready to read a collection of true stories that I couldn t dream up even with my wildest imagination

Wierenga, 2015-09-01 For women who have grown up in the tension between third wave feminism and Martha Stewart it can be a struggle to define and embrace the meaning of home There is constant pressure to do things a certain way and sometimes intense criticism from those who think you're doing it wrong But what if home isn't really about whether or not you homeschool or have a career What if it's more about who you are than what you do A self proclaimed former subversive Emily T Wierenga has learned the art of making a home and the joy of settling down Emily takes readers on an unconventional journey through marriage miscarriage foster parenting and the daily struggle of longing to be known inviting them into a quest for identity in the midst of life's daily interruptions Through soul stirring writing she helps women understand that homemaking is much more than old fashioned tradition rather it's a timeless art requiring mind body and spirit *Old and New*, 1875 **In Quest of the White Mandan** Cash, 2013-05-16 *In Quest of the White Mandan* is about the white people who became integrated into the native Indian band of North Dakota Mandans In the Seventeen hundreds the French Canadian explorer La Verendrye with his sons found a Indian tribe with fair skinned people blue eyes blonde and red haired living in what was later to become North Dakota Many years later Lewis and Clark found these fair skinned people with the Mandans as they made their trip to the Pacific I learned about these people who must of come from Europe hundreds of years earlier How did these people make their way into the center of North America Some speculate that they were Welsh people who came up the Mississippi River In Newfoundland Canada the dwellings built by the Vikings at Lance Meadows and the house built by the Mandans are exact replicas of each other The waters of Hudson Bay flow into it from waters that lead into Lake Winnipeg after a land bridge is crossed The Red River of North Dakota flows directly into Lake Winnipeg Many Viking remains and artefacts have been found in Minnesota and Wisconsin If the Vikings who settled in Lance Meadows found their way north into Hudson Bay losing their boats to ice could easily happen The only way out of this desolate place is south into the interior of North America In *Quest of the White Mandans* Book One is my version of how these people came to be the White Mandans I have brought them to the shores of lake Winnipeg in book one God willing I will take them further to their final home on the Missouri River in North Dakota in Book Two [Cincinnati Magazine](#)
