Let the Men Fight! Gregory G. Ogle,2006-06-28

Involvement by men especially African American men in the Christian church has always been notoriously sparse Pastors seminary scholars and Christian leaders male and female have pondered the problem but it remains a question The women ask What is wrong with the brothers My response is Why does it have to be something wrong with the brothers Could it be that as African American males want to hear something other than what is being preached Have we considered preaching the Gospel of Christ from a masculine perspective Is it possible that because the majority of churches are 70% female that the Good News is inadvertently preached by male and female preachers from an implicit female perspective Perhaps preachers are subconsciously more concerned with maintaining the satisfaction of the bulk of the tithing parishioners who are women Let the Men Fight challenges the notion that the fault resides with African American men and strives to provide a male sensitive Word However there is a caveat The warning is upon learning and accepting the truth God expects us to go tell and teach others Matthew 28 19 20 says Go ye therefore and teach all nations baptizing them in the name of the Father and of the Son and of the Holy Ghost 20 Teaching them to observe all things whatsoever I have commanded you and lo I am with you alway even unto the end of the world
