Producing Masculinity Michele White,2019-02-08 Thoughtful witty and illuminating in this book Michele White explores the ways normative masculinity is associated with computers and the Internet and is a commonly enacted online gender practice Through close readings and a series of case studies that range from wedding forums to men s makeup video tutorials White considers the ways masculinities are structured through people s collaborations and contestations over the

establishment of empowered positions including debates about such key terms and positions as the nice guy nerd bro and groom She asserts that cultural notions of masculinity are reliant on figurations of women and femininity and explores cultural conceptions of masculinity and the association of normative white heterosexual masculinity with men and women A counterpart to her earlier book *Producing Women White* has crafted an excellent primer for scholars of gender media and Internet studies *Reading Bridal Magazines from a Critical Discursive Perspective* E. Glapka,2014-09-04 Bridal magazines have become increasingly popular in Western society proliferating the idea of a princess bride on her big day Yet little has been written on how the ever expanding wedding media and the popular wedding culture constructs gender and affects the ways women live and experience their weddings Offering a critique of contemporary wedding discourse this book marries together analyses of media texts and their reception to propose a new approach to media discourse The analysis richly illustrates how women are invited to embrace not only the stereotypical idea of bridal femininity but also a consumptive way of experiencing it Through examination of brides accounts of their big days the book observes the imprints of the popular gender imagery on their self portraits and self narratives and describes the women s diverse approaches to them Based on insights from gender and critical discourse studies sociology and audience research this exploration illuminates the ongoing debate on media and gender and its methodological approaches *Awesome Wedding Ideas* Mark Thomas,2013-03-15 Do you want a super successful unique and fun wedding reception *Awesome Wedding Ideas Deluxe Color Edition* offers you an abundance of suggestions for a joyful fun and balanced wedding reception *Awesome Wedding Ideas* also gives you tips on how to choose professionals that share your passion for wedding day success Peace Love and Happiness reside inside
