# Zizek Reader

**Gary Kuchar**

## **Zizek Reader:**

*The Zizek Reader* Elizabeth Wright, Edmond Wright, 1999-03-22 The Zizek Reader which includes a Foreword by Zizek and a new previously unpublished essay on cyberspace provides a comprehensive and accessible introduction to the flamboyant work of a figure who has been variously described as one of the most arresting insightful and scandalous thinkers in recent memory and the Giant of Ljubljana Collects work by one of the most arresting and scandalous thinkers of our time Aids the reader to understand the often complex thinking of both Lacan and Zizek **Zizek** Kelsey Wood, 2012-03-19 A comprehensive overview of Slavoj Zizek's thought including all of his published works to date Provides a solid basis in the work of an engaging thinker and teacher whose ideas will continue to inform philosophical psychological political and cultural discourses well into the future Identifies the major currents in Zizek's thought discussing all of his works and providing a background in continental philosophy and psychoanalytic theory necessary to its understanding Explores Zizek's growing popularity through his engagement in current events politics and cultural studies Pertains to a variety of fields including contemporary philosophy psychology cultural studies sociology political science esthetics literary theory film theory and theology **The Žižek Reader** Slavoj Žižek, 1999 Žižek's The Sublime Object of Ideology Rafael Winkler, 2024-05-30 First published in 1989 The Sublime Object of Ideology was Žižek's breakthrough work and is still regarded by many as his masterpiece It was an iconoclastic reinvention of ideology critique that introduced the English speaking world to Žižek's scorching brand of cultural and philosophical commentary and the multifaceted ways in which he explained it Tying together concepts from aesthetics psychoanalytic theory cultural studies and the philosophy of belief it changed the face of contemporary commentary and remains the underpinning of much of his subsequent thinking This compelling guide introduces all of the influential thinkers and foundational concepts which Žižek draws on to create this seminal work Grounding the text's many and varied references in the work of Peter Sloterdijk Saul Kripke Walter Benjamin Jacques Lacan Jacques Derrida Immanuel Kant and G W F Hegel amongst others helps students who are encountering this mercurial writer for the first time to understand the philosophical context of his early explorations Each of Žižek's key arguments are unpacked and laid out alongside an invaluable account of how The Sublime Object of Ideology impacted the critical terrain on which it landed **Zizek's Ontology** Adrian Johnston, 2008-03-19 By taking this avowal seriously Adrian Johnston finally clarifies the philosophical project underlying Žižek's efforts Žižek and Performance B. Chow, A. Mangold, 2014-10-17 The first edited volume to examine philosopher Slavoj Žižek's influence on and his relevance for theatre and performance studies Featuring a brand new essay from Žižek himself this is an indispensable contribution to the emerging field of Performance Philosophy *How Slavoj Became Zizek* Eliran Bar-El, 2025-05-06 An engrossing account of the meteoric rise of contemporary philosophy's most contentious and prolific intellectual This revised edition corrects several erroneous and insufficient references in the first edition of this book Slovenian philosopher bad boy Slavoj Žižek is one of the most famous intellectuals of

our time publishing at a breakneck speed and lecturing around the world With his unmistakable speaking style and set of mannerisms that have made him ripe material for internet humor and meme culture he is recognizable to a wide spectrum of fans and detractors But how did an intellectual from a small Eastern European country come to such popular notoriety In *How Slavoj Became i ek* sociologist Eliran Bar El plumbs the emergence popularization and development of the phenomenon called i ek Beginning with i ek s early years as a thinker and political figure in Slovenian civil society Bar El traces i ek s rise from Marxist philosopher to political candidate to eventual intellectual celebrity as i ek perfected his unique performative style and a rhetorical arsenal of Hegelacanes Following 9 11 i ek s career as a global op ed writer and TV commentator married his rhetoric with global events such as the war on terror the financial crisis of 2008 and the Arab Spring of 2011 Yet at the same time this mainstream popularity as well as a series of politically incorrect views almost entirely estranged the Slovenian from the normal workings of academia Ultimately this account shows how i ek has harnessed the power of the digital era in his own self fashioning as a public intellectual

**Žižek and his Contemporaries** Jones Irwin, Helena Motoh, 2014-06-19 In recent years the popularity of the inimitable Slavoj i ek has perhaps cast a shadow over the collective influence exerted by Slovenian intellectuals on modern day philosophy Yet despite his image as an isolated genius this timely book relocates i ek as a thinker whose ideas are born of a specifically Slovenian context Although only coming to international notice in the early 1990s the Slovenian school needs to be understood as the culmination of a series of intellectual artistic and political movements inextricably connected to the quest for the succession of Slovenia from Yugoslavia These developments in thought must also be seen in the light of one of the giants of Continental philosophy Jacques Lacan Featuring brand new interviews with three of its forerunners i ek Mladen Dolar and Alenka Zupancic this fascinating account details each philosopher s individual concerns whilst shedding light on the complex genealogy and continuing development of the Slovenian Neo Lacanian school Rarely are we afforded such an opportunity to study the birth of a philosophy from a seminal moment in modern history

**The Certeau Reader** Michel de Certeau, 2000 A *Symposium on Slavoj Žižek* Eva Elizabeth Wright, Edmond Wright, 2001 Represents the first collection of critical responses to be made to the work of Slavoj Zizek

**Zizek: A Guide for the Perplexed** Sean Sheehan, 2012-03-22 An up to date guide to the key ideas and writings of one of the most widely read Cultural Theorists working today

[Zizek and Media Studies](#) M. Flisfeder, L. Willis, 2014-04-09 Film media and cultural theorists have long appealed to Lacanian theory in order to discern processes of subjectivization representation and ideological interpellation Here the contributors take up a Zizekian approach to studies of cinema and media raising questions about power ideology sexual difference and enjoyment

**The Johns Hopkins Guide to Literary Theory and Criticism** Michael Groden, Martin Kreiswirth, Imre Szeman, 2005 Publisher Description

[The Publishers Weekly](#), 1922

**Representing the Catastrophic** Aaron Kerner, 2007 The study analyzes the way in which cultures represent and make sense of catastrophic events through the medium of the visual arts This work

should appeal to scholars interested in art history film studies cultural studies and psychoanalysis to disavowal the event by referring to it as unimaginable or otherwise such events are assigned to the domain of fiction or fantasy For example in response to 9 11 and the images of the planes flying into buildings many responded it was like I was watching a movie How then when our knee jerk response is to assign catastrophic events to the incomprehensible or the domain of utter fantasy do we convey the reality of these events What rhetorical strategies are at our disposal when we no longer have an immediate relationship to them When the last survivors of these catastrophic events are gone how will we relate to representations of these events What rhetorical strategies will prove most useful in conveying the historical significance of these events even when the physical traces are gone This book addresses these questions

**Travels of Possessed Women on the Brink of Memory: Embodied Faith, Nostalgia, and Fear in Modern Japan** Mukund Subramanian,2002 [Against Recognition](#) Lois McNay,2008-03-17 In this book Lois McNay argues that the insights of the recognition theorists are undercut by their reliance on an inadequate account of power *Radical Philosophy* ,2004 *Divine Subjection* Gary Kuchar,2005 Combines theoretically engaged analyses with historically contextualized close readings to open new ways of understanding the relations between devotional literature and early modern English culture Provided by publisher **Modern Austrian Literature** ,2006 Includes the index to the Journal of the International Arthur Schnitzler Research Association 1961 67
