The Chilterns:

The Chilterns and the Vale G. Eland, 1911 Walking in the Chilterns Steve Davison, 2021-09-06 A guidebook to 35 day walks in the Chiltern Hills Lying within reach of London the spectacular Chilterns AONB extends across Oxfordshire Buckinghamshire Hertfordshire and Bedfordshire and with routes in the guidebook covering the whole region there is something for beginner and experienced walkers alike The walks range in length from 6.19km 4.12 miles and take between 2 and 6 hours to complete perfect for either a short stroll or a full day out 1:50,000 OS maps reproduced at 1:40,000 for greater clarity included for each walk Sized to easily fit in a jacket pocket GPX files available to download Detailed information on refreshments and public transport for each walk Local points of interest are featured including Ivanhoe Beacon Under the Chilterns Margaret Watson, 1895 **Cultural Transition in the Chilterns and Essex Region, 350 AD to 650 AD** John T. Baker, 2007-03-01 With authority and sound methodology this study compares archaeological evidence from the fourth to seventh centuries AD in the Chilterns and Essex region with the considerable body of data taken from the place names of the same area The distribution of supposedly early Old English place name elements suggests that contrary to orthodox opinion these elements are not particularly useful indicators of early Germanic influence Additionally some elements traditionally thought to be relatively unimportant may belong to an earlier stratum of place name formation By reexamining data this book presents a new theory about the emergence of Anglo Saxon culture at the end of the Romano British period and suggests that some revision of place name chronology is necessary Slow Travel: The Chilterns & the Thames Valley Helen Matthews, Neil Matthews, 2019 This new title from Bradt forms part of its distinctive Slow Travel series and is the only title available to cover the Chilterns and Thames Valley in depth The Chilterns and the Thames Valley do not correspond to the specific boundaries of one county or region old or new Bedfordshire Berkshire Buckinghamshire Hertfordshire and Oxfordshire all have a share Divided into six easily manageable sections Bradt's The Chilterns and Thames Valley lifts the lid on what makes this area so distinctive Chalk grasslands beech woods streams and wooded valleys provide a perfect landscape for walking and are easily accessible from London About half of the area has been designated as an Area of Outstanding Natural Beauty the closest such area to London Rare plants such as fleawort and numerous orchid varieties and birds including red kites lapwings and skylark flourish The Thames Valley follows the route of one of the world's most famous rivers You can find key sites of monarchical and parliamentary power such as Windsor Castle and Chequers the location of Magna Carta's sealing at Runnymede and the birthplaces of men and women who have led dissent down the ages A host of well loved authors has lived and written here depicting Paradise defining our childhoods and painting timeless images of England and its people Eminent chefs own restaurants with national and sometimes international reputations In short the Chilterns and the Thames Valley together represent a wonderfully paradoxical mixture of world famous tourist sites and lesser known attractions full of quirkiness and character which will repay the visitor's interest and attention many times
