The Pale Invaders Geoffrey Robins Kesteven, Geoffrey Robins 1. Ti Rn: Crosher, 1974 **The Pale Invaders** G. R. Crosher, 1976 The inhabitants of the secluded valley believe life has always been as they know it until strangers arrive who lend threatening reality to the tales of an elder about life before the devastating upheaval Between the Mountain and the Sea R. Morgan, 2021-02-25 Olendara a tropical port city of warring gods and cultures jungles and canals faith and obsession Before their mother got sick twins Iyo and Issa couldn't wait for the end of their apprenticeship Iyo dreamed of joining the secretive fighters guild and killing the invaders whose harsh rule reduces their lives to mere survival Issa craved the peace of diving for the waterstones that heal and purify in the hands of the priests Alone in the sea no one can sneer at her invader heritage When they steal a divine waterstone in a desperate gamble to cure their mother they shut themselves out of any future they could have imagined Instead they enter a world of gods visions and betrayal Now their lives everyone they love and the very existence of their city may be at risk of destruction women authored fantasy women's friendships female friendships female main character multiple POVs non European setting tropical setting colonialism imperialism culture clash culture shock LGBTQ fantasy nonbinary characters anti imperialist anti colonialism **The Quarterly Journal of the Society of American Indians**, 1914 *Proceedings and Collections* Wyoming Historical and Geological Society, 1910 Shadow of the City R. Morgan, 2021-04-27 A police procedural set in one of the snazziest fantasy settings ever Rachel Neumeier author of *The Floating Islands* A fun fantasy mystery featuring a vibrant inclusive world and a deep friendship between the protagonist and her partner sleuth If you'd like a diverting escape to lift your spirits Rocio and Hala have just the adventure for you Courtney Schafer author of the *Shattered Sigil* trilogy A fun sometimes serious novel that blends humor mystery and magic beautifully A T Greenblatt Nebula Award winning author of *Give The Family My Love* A delightful fantasy of friendship and mystery in a setting reminiscent of Latin America by a fresh new talent La Bene is a city poised on the edge of change where automobiles mingle with horse drawn trolleys and musicians rub shoulders with politicians in trendy cabarets Every day brings new magical machines new immigrants and a new mystery to solve Detectives Rocio and Hala Haddad Sosa have investigated many crimes together and Rocio's intuition and Hala's logic make them ideal partners But this time they're baffled by a newly discovered crypt in the subway a missing choreographer and reports of impossible magic As the clues pile up they discover that they're not working any ordinary kidnapping Something darker and more sinister is taking root in the city perhaps the return of a magic so destructive that no one dares to speak of it If their suspicions are correct they will have to face an opponent who threatens not only their commitment to justice but everyone living in their beloved city woman authored fantasy women's friendships female friendships LGBTQ fantasy nonbinary characters non European setting Latin American setting great worldbuilding *The Indian's Friend*, 1913 **The History of the Irish Famine** Christine Kinealy, 2018-09-20 The Great Irish Famine remains one of the most lethal famines in modern

world history and a watershed moment in the development of modern Ireland socially politically demographically and culturally In the space of only four years Ireland lost twenty five per cent of its population as a consequence of starvation disease and large scale emigration Certain aspects of the Famine remain contested and controversial for example the issue of the British government s culpability proselytism and the reception of emigrants However recent historiographical focus on this famine has overshadowed the impact of other periods of subsistence crisis both before 1845 and after 1852 This first volume addresses the questions when did the famine begin and end to what extent is the British government after 1846 culpable for the suffering and mortality how important was philanthropy in alleviating the distress what was the role and responsibility of Irish elites is the word famine appropriate given that Ireland continued to export large amounts of food
