Wrong Rite Macleod:

The Wrong Rite Charlotte MacLeod, 2012-10-02 A Canadian Mountie and his family take a trip to Wales where ancient rituals prove deadly from an author in the top rank of modern mystery fiction Elizabeth Peters For mounted policeman Madoc Rhys and his wife Janet the pains of traveling with an infant are worth taking young Dorothy to Wales for Great Uncle Sir Caradoc's ninetieth birthday Along with every other member of the Rhys clan they make the pilgrimage to the ancestral pile to enjoy a few days of drinks dinner and as it turns out demonic sacrifices On their first morning at the family manor Madoc stumbles upon a concussed shepherd and a dismembered ram It appears to be a botched attempt at an ancient rite executed by one of those Welshmen who still carry a torch for the religion of the druids For a spot of fun the Rhys family decides to stage its own ritual recreating the fertility ceremony of the Beltane bonfires But when the flames turn a member of his family into a fireball Madoc springs to action Even five thousand miles from Canada a Mountie always gets his man

New Old-fashioned Ways Jack Santino, 1996 Every year as each holiday rolls around American popular culture is suddenly awash in images associated with that festivity While Christmas has been the most obviously commercialized celebration Halloween Easter the Fourth of July Hanukkah Thanksgiving and Valentine's Day are also reflected in the offerings of the mass media and consumer products industries This book is the first in depth investigation of the myriad ways in which traditional holidays are both manifested and exploited in a commercial consumerist society Jack Santino's analysis encompasses everything from movies to romance novels from television shows to comic books One especially fascinating feature of this study is its examination of the packaged foods industry and the manner in which soft drinks beer snack cakes cookies candy and breakfast cereals are regularly repackaged to reflect particular holidays In what becomes a central theme of the book Santino shows how holidays give companies the opportunity to create an illusion of novelty for products that otherwise remain unchanged over time For example the holiday Chips Ahoy cookies or Halloween Oreos differ only in their appearance from the everyday products but they assume a quality of uniqueness through their association with a special time of the year Throughout the book Santino examines the logic by which commercial culture and holidays are linked Halloween for instance with its traditional symbolism of death evil and monsters has served as a theme for heavy metal music and slasher films This in turn has led to some interesting transmutations as one text borrows from another in the wake of a commercial success When John Carpenter's pioneering 1978 slasher film Halloween became a box office hit it was perhaps inevitable that other holiday based slasher films New Year's Evil April Fool's Day and Silent Night Deadly Night would follow Copiously illustrated *New Old Fashioned Ways* is at once entertaining and informative a treat for general readers as well as an important work for scholars in a variety of fields including communications folklore anthropology sociology and business
