Up on the Creek Tom McGlone, 2004-06 This groundbreaking book is a sequel to *Celebrate Life* that illustrated how to Realize Renew Release your trapped energy In *Living Right Side UP* in an UP Side Down World the reader was invited to a deeper plunge into the Great Lake of your lived experience where you feast in present moment awareness The third book in this trilogy especially after Sept 11 2002 prepares the reader to make a different passage into 21st century's ecological age and in the process to experience homecoming to Earth The simple proposal to the reader including the author is to wake up To wake up with wide eyed wonder That electrifying wonder activates a stream of energy and insights for loving and cherishing this Earth May we become in the process fully human and fully alive as an Earth being What does it mean to become an Earth being It means that we reenter the Great Conversation of the human and the natural world In embracing the Great Conversation we once again bring inside us the voices of the natural world like the wind in the trees the wonder of moonlight the sighing of prairie grasses to sing inside us in resounding chorus Now we have the beginning of a different human Out of such a conversion experience over more than twenty years this book has been written In that spirit of Earth wonder and Great Work may you see new possibilities in the bonding of human being and Earth being for living on this garden planet with a soaring sense of mutual well being

fades and Neal is left disillusioned and searching for answers in his life In his disheartened state he conceives a utopian plan to launch a new messiah movement which he hopes will end his and everyone else s unhappiness He enlists his charismatic friend Andrew Moore to pose as a modern day savior They begin their mission with a sermon on the Venice Boardwalk The initial sermon succeeds brilliantly but then Neal s plan takes an unexpected turn as Andrew starts to truly believe he is the Chosen One Inspired by actual events The New Messiah shows how American youth culture in the mid 1970 s characterized by a quest for higher consciousness pre AIDS sexual promiscuity recreational drug use pop mysticism irreverent humor and cynicism and alienation in the post Watergate malaise era was the soil out of which a messiah movement could grow One of the most striking features of The New Messiah is its play like format The story is told through the conversations of the characters The authenticity of the dialogue in the party scenes street scenes and intimate one on one scenes will no doubt be appreciated by readers who lived through that time period College age readers today may also find much to identify with in the novel s depiction of 70 s youth culture
