The Baseball Talmud Howard Megdal, 2009-10-06 From the icons of the game to the players who got their big break but never quite broke through The Baseball Talmud provides a wonderful historical narration of Major League Jewish Baseball in America All the stats the facts the stories and the often unheralded glory The Baseball Talmud reveals that there is far more to Jewish baseball than Hank Greenberg's powerful slugging and Sandy Koufax's masterful control From Ausmus to Zinn Berg to Kinsler Holtzman to Yeager and many others Megdal draws upon the lore and the little known details that increase our enjoyment of the game including Which Jewish player spent a portion of his retirement as a spy Who received 50 000 and a car to quit school and join the Major Leagues How many players sat out of games scheduled on Yom Kippur Which famous player chose baseball over becoming a rabbi But this is more than just stories Megdal a stat geek himself uses the wealth of modern sabermetrics to determine the greatest Jewish players at each position the all time Jewish All Star Team and how they would rate against the greatest teams in baseball history from the 1906 Chicago Cubs to the 1998 New York Yankees The Baseball Talmud rewrites the history of Jewish baseball and is a book that every baseball fan should own

Steve Yeager (Classic Reprint) William MacLeod Raine, 2015-07-09 Excerpt from Steve Yeager Steve Yeager held his bronco to a Spanish trot Somewhere in front of him among the brown hill swells that rose and fell like waves of the sea lay Los Robles and breakfast One solitary silver dollar too lonesome even to jingle lay in his flatulent trouser pocket After he and Four Bits had eaten two quarters would take the place of the big cartwheel Then would come dinner a second transfer of capital and his pocket would be empty as a cow's stomach after a long drive Being dead broke according to the viewpoint of S Yeager is right and fitting after a jaunt to town when one has a good job back in the hills But it happened he had no more

job than a rabbit Wherefore to keep up his spirits he chanted the endless metrical version of the adventures of Sam Bass who started out to Texas a cowboy for to be And a kinder hearted fellow you scarcely ever d see Steve had not quit his job It had quit him About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
