

A young boy with short hair, wearing a white collared shirt, is seen from behind, sitting at a dark piano. He is looking out over a vast, layered mountain landscape. In the foreground, a calm lake reflects the sky. The sky is a mix of soft pinks, oranges, and yellows, suggesting a sunset or sunrise. The mountains are rendered in various shades of green and blue, creating a sense of depth. The overall mood is peaceful and contemplative.

Still Listening:

Still Listening Susan Vitalis, 2017-05-30 God sets a path for anyone who wants to follow but it's rarely a singular event. Instead God nudges almost continuously those who listen. Dr. Susan Vitalis followed His call to put her medical training to use in some of the most poverty-stricken areas of the world to make her calling her vocation a supremely satisfying and enlightening time in her life. But one day through unimaginable changes He nudged her another direction. Traversing that wilderness of loneliness and uncertainty was neither simple nor easy but with God's help she found the wisdom to start again to turn her new calling into her new vocation. Still Listening is every person's journey through life's stages of passion, authenticity, despair, and hope. It's an authentic look into what it means to listen to not only the good but the best God has for your life because He will never nudge you toward a dead end but simply a crossroad. Dr. Vitalis has worked with patients and trained health care workers in 15 countries and her impact is felt around the globe. Her message is one of clarity for college students, health care professionals, nonprofit leaders, and anyone who has a passion to see the world changed. **Still**

Listening Norvene Vest, 2000-11-01 Interest in the practice of spiritual direction has grown in recent years. With the increased number of people seeking direction, there have come a number of new issues confronting spiritual directors. This volume of essays by seasoned spiritual directors from a variety of faith traditions addresses issues of concern to directors today such as direction with abused persons, the poor, church drop-outs, and gays and lesbians. Other essays look at spiritual direction in new contexts such as the congregational setting, the corporate arena, spiritual direction and generational issues, and direction at the turn of the century. The final section of the book addresses some specific circumstances: working with the addicted, those who are dying, using art in spiritual direction, and direction and social justice. Contributors include Joseph D. Driskill, Pacific School of Religion, Berkeley, CA; Juan Reed, Chicago, IL; Rich Rossiter, Oak Park, IL; Sandra Lommason Davis, CA; Howard Rice, Santa Rosa, CA; Tom Cashman, Federal Way, WA; Steven Charleston, Episcopal Divinity School, Rancho Cucamonga, CA; Margaret Guenther, Washington, D.C.; Betsy Caprio Hedburg, Culver City, CA; and Kenneth Leech, London.
