## Strange Enemy:

*The British Army of the Rhine* Peter Speiser, 2016-05-30 Between 1945 and 1957 West Germany made a dizzying pivot from Nazi bastion to Britain's Cold War ally against the Soviet Union. Successive London governments though often faced with bitter public and military opposition tasked the British Army of the Rhine (BAOR) to serve as a protecting force while strengthening West German integration into the Western defense structure. Peter Speiser charts the BAOR's fraught transformation from occupier to ally by looking at the charged nexus where British troops and their families interacted with Germany's civilian population. Examining the relationship on many levels, Speiser ranges from how British mass media representations of Germany influenced BAOR troops to initiatives taken by the Army to improve relations. He also weighs German perceptions, surveying clashes between soldiers and civilians and comparing the popularity of the British services with that of the other occupying powers. As Speiser shows, the BAOR's presence did not improve the relationship between British servicemen and the German populace but it did prevent further deterioration during a crucial and dangerous period of the early Cold War. An incisive look at an under-researched episode, *The British Army of the Rhine* sheds new light on Anglo-German diplomatic, political, and social relations after 1945 and evaluates their impact on the wider context of European integration in the postwar era.

Unpatriotic History of the Second World War James Hartfield, 2012-09-28 Sixty million people died in the Second World War and still they tell us it was the Peoples War. The official history of the Second World War is Victors History. This is the history of the Second World War without the patriotic whitewash. The Second World War was not fought to stop fascism or to liberate Europe. It was a war between imperialist powers to decide which among them would rule over the world, a division of the spoils of empire and an iron cage for working people enslaved to the war production drive. The unpatriotic history of the Second World War explains why the Great Powers fought most of their war not in their own countries but in colonies in North Africa, in the Far East, and in Germany's hoped-for Empire in the East. Find out how wildcat strikes, partisans in Europe and Asia, and soldiers' mutinies came close to ending the war. And find out how the Allies invaded Europe and the Far East to save capitalism from being overthrown. James Heartfield challenges the received wisdom of the Second World War.

Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Strange Enemy full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Strange Enemy eBooks, including some popular titles.

## FAQs About Strange Enemy Books

**What is a Strange Enemy PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Strange Enemy PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems

have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Strange Enemy PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Strange Enemy PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Strange Enemy PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
