## **Strangling The Shadow:**

Strangling the Shadow Steven A. Hendrix, 2005-01-01 The title Strangling the Shadow truly symbolizes the brilliance of light defeating the loathsome darkness Within the book are poems that portray the struggle to abolish the darkness in one's life Darkness an aspect everyone deals with in life is a very daunting adversary Strangling the Shadow shows the trials one man has faced in defeating his darkness The book reveals that no matter how invulnerable the evils in life may appear there is always a way to liberate oneself from the shadows **Everybody's**, 1928 **MLN.**, 1915 The Real World of Ti-Airea Brian P. Taylor, 2012-03-12 The Real World of Ti Airea is a RPG players manual like many other popular books of its genre It is a world like no other As an RPG gamer Ti Airea will have many great and new exciting things that other RPG gaming systems don't have There are unique races that's in a fantasy world many would like to play as In addition to that some also have powers and abilities that are unique to them alone There are character classes that are totally different from the normal classes that you would normally see in other gaming systems As well as the standard class types There are rules that may seem familiar to you and some that are brand new But all will make sense without very long explanations Some characters that you will see may seem to be over powered and some will seem to be too weak but once you see how they are all used you will notice that they all compliment each other to some extent Not all are good and not all are bad but they all are unique Ti Airea follows no earthly commonality because it's not earth There are God's Avatars great beasts magic of course dragons There is much to do in Ti Airea places to explore ruins to find and things to fight Ti Airea has 6 huge continents five in which are explorable by land and sea and one only by air There is much more to The Real World of Ti Airea than just that So we beckon you all to come to Ti Airea to lose yourself imagine well enjoy the difference **Great Poems of the English Language**, 1927 *Floor 13* Clark Peterston, 2025-08-24 The elevator doors close The descent begins Six strangers step into Templar Tower after hours The lobby is too quiet The fluorescent lights hum off key Then the elevator jolts and instead of going up it keeps going down On every impossible floor reality twists Mirrors grin with teeth they don't have The building whispers like a broken machine Forget your name and you're gone forever Trapped between terror and absurdity they must cling to each other's identities to fight a skyscraper that wants to consume them whole Floor 13 is a claustrophobic horror ride with a sharp edge of dark comedy perfect for fans of Stephen King Paul Tremblay and Black Mirror **The Darkest Alleyway** Christine Soltis, 2010-11-17 The Darkest Alleyway is a compilation of beginning experimental verses by Christine Soltis The very first one Mother Nature in Distress is credited as the jump starter of her writing career Many of the verses were written within the flawed confines of youth and are depictions of the rebel in us all Sorrow greed indecision and unexpected humor are frequently encountered Below are excerpts which exemplify the diversity within A desert lies beneath her eyes A lone cactus withers and dies Excerpt from Mother Nature in Distress A woman's wrath A power beyond her word Take from her what she loves take what she cares for take her name and you've committed yourself to the torture to come
