## **The Native Air:**

*Native Air* Jonathan Howland,2022-06-13 In a debut novel from Green Writers Press by Jonathan Howland the austere beauty and high exposure of mountain adventure provide the context and the measure for what it means to be alive for climbing partners Joe Holland and Pete Hunter until one of them isn't. When the book opens it's the mid 80s Joe Holland the novel's narrator is a climber and a seeker but mostly he's Pete Hunter's shadow. The two meet in college and spend the next ten years living at the base of any rock that appears scalable most of them near Yosemite and California's High Sierra. The joys and strains of their friendship comprise the novel's first half. In the second the bare bones obsession grief love and repair come into stark relief when Pete's grown son Will calls Joe back into climbing into the past and into breathless vitality.

*The Return of the Native* Thomas Hardy,2021-02-25 This is the first complete scholarly edition of one of Hardy's greatest novels. *The Return of the Native* engages ambitiously with contemporary ideas and problems of existence and would go on to become one of the major Wessex novels. When composed in 1878 however Hardy's Wessex did not yet exist and this edition which is based on meticulous analysis of Hardy's holograph manuscript and every significant print edition of the novel to appear in his lifetime situates *The Return of the Native* within the historical context of its first publication encouraging readers to trace its evolution over the following four decades. Tim Dolin provides a wealth of supporting materials including an original authoritative text comprehensive annotation commentary and glossary and illustrated appendices of both Arthur Hopkins's illustrations and the topography of Egdon Heath thus creating an invaluable tool for students and scholars of Hardy and nineteenth century literature alike.

**The Generation of Plays** Karin Barber,2003-03-21 Since the 1980s Yoruba popular theatre has virtually disappeared due to radio TV and other mass media in Nigeria. This is the personal account of a theatre worker on tour with the Oyin Adejobi Company. Drawing on archives interviews and transcribed plays she describes a successful Yoruba drama.
