**The Traitor's Contract** Paul Mann,2013-11-01 The Falklands gave him a taste for killing Northern Ireland gave him a reason to turn traitor The IRA gave him the chance to kill again The Traitor s Contract offers non stop action when Jack Halloran a brilliant war hero turns traitor After a brutal attack on his counter intelligence organization Halloran knows he s being hunted It s fight or flight and Halloran never runs Teaming up with a rogue IRA boss he enacts a terrorist attack that will shake the world to its core

**The Traitor's Niche** Ismail Kadare,2019-06-11 Kadare is inevitably linked to Orwell and Kundera but he is a far deeper ironist than the first and a better storyteller than the second He is a compellingly ironic storyteller because he so brilliantly summons details that explode with symbolic reality The New Yorker At the heart of the Ottoman Empire in the main square of Constantinople a niche is carved into ancient stone Here the sultan displays the severed heads of his adversaries People flock to see the latest head and gossip about the state of the empire the province of Albania is demanding independence again and the niche awaits a new trophy Tundj Hata the imperial courier is charged with transporting heads to the capital a task he relishes and performs with fervor As he travels through obscure and impoverished territories he makes money from illicit side shows offering villagers the spectacle of death The head of the rebellious Albanian governor would fetch a very high price indeed The Traitor s Niche is a surreal tale of tyranny and rebellion in a land where armies carry scarecrows state officials ban entire languages and the act of forgetting is more complicated than remembering Long listed for the 2017 Man Booker International Prize The name of the Albanian novelist Ismail Kadare regularly comes up at Nobel Prize time and he is still a good bet to win it one of these days He is seemingly incapable of writing a book that fails to be interesting The New York Times

**The Traitor's Homecoming** Matthew E. Reardon,2024-07-17 A reexamination of Benedict Arnold s 1781 raid on New London Connecticut dispelling myths and offering a balanced military study Almost everyone is familiar with the name of at least one Revolutionary War battle Some like Lexington and Concord Bunker Hill Saratoga and Yorktown are household names Others are less well known but readily recognized when mentioned An engagement in Connecticut during the war s seventh year commanded by one of history s most infamous military names is not among them Matthew E Reardon has set out to rectify that oversight with The Traitor s Homecoming Benedict Arnold s Raid on New London Connecticut September 4 13 1781 By 1781 the war in North America had reached a stalemate That changed during the summer when the combined Franco American armies of Generals George Washington and Jean Baptiste comte de Rochambeau deceived British General Sir Henry Clinton into believing they were about to lay siege to New York City In fact they were moving south toward Yorktown Virginia in a bid to trap Lord Cornwallis s British army against the sea

Clinton fell for the deception and dispatched former American general Benedict Arnold to attack New London. Clinton hoped to destroy the privateers operating out of its harbor and derail militia reinforcements and supplies heading from Connecticut to the allied armies outside New York City. Situated in southeastern Connecticut, New London was the center of the state's wartime naval activities. State and Continental naval vessels operated out of its harbor, which doubled as a haven for American privateers. Arnold landed on September 6 and in a textbook operation defeated local militia, took possession of the town harbor and forts, and set New London's waterfront ablaze. But that is not how it is remembered. The Connecticut governor's vicious propaganda campaign against the British and Arnold, who was already infamous for his treachery, created a narrative of partial truths and embellishments that persist to this day. As such, most of the attention remains on the bloody fighting and supposed massacre at Fort Griswold. There is much more to the story. *The Traitor's Homecoming* uses dozens of newly discovered British and American primary sources to weave a balanced military study of an often forgotten and misunderstood campaign. Indeed, Reardon achieves a major reinterpretation of the battle while dismantling its myths. Thirteen original maps and numerous illustrations and modern photographs flesh out this provocative and groundbreaking study.

**The Deceiver's Heart (The Traitor's Game, Book Two)** Jennifer A. Nielsen, 2019-02-26. Critically acclaimed author Jennifer A. Nielsen delivers the gripping second installment of her New York Times bestselling epic young adult fantasy. In this sequel to the instant New York Times bestseller *The Traitor's Game*, Kestra Dallisor has finally gained possession of the Olden Blade. With the dagger in her control, she attempts to destroy the tyrannical Lord Endrick. But when Kestra fails, the king strips her of her memory and leaves her weak and uncertain, bound to obey him. Heartbroken, Simon is desperate to return Kestra to the rebel she was but refuses to use magic to heal her. With untrusting Coracks and Halderians threatening to capture and kill her and war looming on the horizon, Kestra and Simon will have to learn to trust each other again if they have any hope of surviving. But can a heart once broken ever be healed? *The Deceiver's Heart* marks a stunning return to Jennifer A. Nielsen's gorgeously rendered world of Antora and all its treachery and magic. *The Traitor's Daughter*  
Hopeless Narrator, 2022-02-17. Olivia Wilson's life like a fairy tale turned upside down in just one single night. A night that took her everything and gave her only a tag in return, and the tag was *The Traitor's Daughter*. A tag that she was determined to remove. Olivia Wilson was living a perfect life till the age of 12. Her life was fulfilled with happiness and the people who used to increase her happiness more were The Alpha's Sons, who are non-identical triplets. They promised to protect her and prayed to the Moon Goddess to make them her mates. Everything in her life seemed to go perfect until one day her father, Oliver Wilson, was falsely accused by the Gamma of killing the Luna and paralyzing the Alpha. Her life took an opposite turn; everyone who used to love her started hating her. The Triplets who promised to protect her turned into the ones she needs to be protected from. She started facing thousands of brutal torture, and the Gamma, who was involved in those dirty games, made her life a living hell. All those hurtful words and torture couldn't tame her; she was determined to prove her father's

innocent but one thing that broke her completely was when her acceptance of the prayer she made in childhood turned into her worst nightmare And what made it worse was they have other plans than rejecting her
