## Welcome Table:

Church in the Round Letty M. Russell, 1993-01-01 Ideas of the Christian church are changing and Letty Russell envisions its future as partnership and sharing for all members around a common table of hospitality Russell draws on her pastorate in Harlem her classes in theology and many ecumenical conversations to help the newly emerging church face the challenges of liberation for all people

*Beholding Beauty* Jason R. McConnell, 2022-03-15 Beholding Beauty Worshiping God through the Arts casts a vision for how the church can integrate a theology of beauty and aesthetics into its worship practices Unlike other books that only explore beauty and aesthetic in the abstract Beholding Beauty is a practical theology that inspires Christians to intentionally incorporate the arts into their everyday lives and their church's weekly worship services It is specifically designed for pastors and worship leaders who wish to craft theologically coherent aesthetically invigorating and artistically stimulating worship services and for all Christians who desire to contemplate the nature of beauty and art from a biblical theological and liturgical perspective Whether you are an accomplished artist or a novice to the art world this book will deepen your understanding of God as the original artist who uniquely calls human beings to cocreate with him It will challenge your presuppositions and convictions about the place of beauty and art in the Christian life and the life of the church It encourages Christian artists to be even more creative and prolific and it compels non artists to consider the artistic gifts and talents God has given them
