Sensible Religion Christopher Lewis, Dan Cohn-Sherbok, 2016-04-01 Around the globe religion is under attack Humanists secularists and atheists depict believers as deluded and dangerous The aim of this book is to challenge this perception Sensible Religion defends the validity and emphasises the excitement of the religious quest across the faiths It demonstrates that the practice of sensible religion is often a courageous path pitted against religious extremism and secularism Written by committed believers from the major world's faiths the book endorses the term sensible as expressing religious reasonableness as well as sensitivity to criticism and new insights Followers of the different traditions live ordinary lives in the mainstream of the world This volume therefore addresses beliefs and the manner in which these convictions relate to social political and ethical action Countering the argument that religion is at root extremist and irrational Sensible Religion brings together thoughtful and critical reflections by leading thinkers about humanity's spiritual quest

Official Gazette of the United States Patent and Trademark Office, 2006 *The Case For Make Believe* Susan Linn, 2009-07-01 In *The Case for Make Believe* Harvard child psychologist Susan Linn tells the alarming story of childhood under siege in a commercialized and technology saturated world Although play is essential to human development and children are born with an innate capacity for make believe Linn argues that in modern day America nurturing creative play is not only countercultural it threatens corporate profits A book with immediate relevance for parents and educators alike *The Case for Make Believe* helps readers understand how crucial child's play is and what parents and educators can do to protect it At the heart of the book are stories of children at home in school and at a therapist's office playing about real life issues from entering kindergarten to a sibling's death expressing feelings they can't express directly and making meaning of an often confusing world In an era when toys come from television and media companies sell videos as brain builders for babies Linn lays out the inextricable links between play creativity and health showing us how and why to preserve the space for make believe that children need to lead fulfilling and meaningful lives

Zen Baby Adler, Alfred, Judith Adler, Paul Coughlin, 2002 As babies approach the world everything is so sparkling and thrilling and different the sound of their mother's voice the bright sunlight the first glorious jump into a puddle even the flicker of a TV And despite the unequivocal newness of all that's around them how often their little faces seem to evoke the seasoned perception of an older soul Zen Baby reminds us how Zen like an infant's sense of wonder can be Pairing more than fifty beautiful photographs of babies with gems of Zen wisdom from a variety of sources we get a glimpse of what might be passing through their minds as they ponder new experiences For example a photograph of a lovely little girl nibbling a huge loaf of bread is matched with the saying If you realize you have enough you are truly rich Beyond being stirred by their undeniable cuteness we could even learn a thing or
