giving breath of a modern day Christian God does not do anything without speaking forth and this is the ministry of the prophet John reveals that in the beginning was the word and the word was with God and the word was God John 1 1 3 God created the universe by spoken word In the Hebrew language a word represents the very thing spoken because God created all things by His word The word therefore defines the reality of the object In the Hebrew the word for object *devarim* or *dawbar* is the same used for word because a word does not just represent size colour shape but the very spiritual essence since it was the word that brought it into existence God made Adam to name all the animals He created because Adam had the ability to speak like God and become co creative by the spoken word Speaking should be backed up with faith and thats the reason why the spoken word is referred to as the spirit of faith Our words are not supposed to be empty or void of power God says so shall my words be that goes forth out of my mouth it shall not return unto me void but it shall accomplish that which I please and it shall prosper in the thing whereto I send it Isaiah 55 11 *To be Continued* Merle Jacob, Hope Apple, 1995 This guide identifies both in print and out of print works of fiction featuring continuing themes plots or characters in which there is a sense of development and passage of time Entries are arranged alphabetically by author and are accompanied by bibliographic information God'S Single Sisters Newsletters Gloria Bess, 2018-05-21 This book focuses on spiritually encouraging single mother and single women with uplifting scriptures poems of the month monthly series e g Discovering Your Ministry The Single Life and more Ridiculous Thoughts From A Preacher and A Few Friends Fred H. Griffin, Andre Norton, 2014-08-05 Two full length novels of the Witch World set in the time of the greatest and most terrible cataclysm in its history the Turning Long ago the realm of the Witch World was in mortal peril from ruthless seemingly unstoppable invaders In a final desperate bid for salvation all of the witches of Escarp combined their strength and moved the very mountains to stop the enemy But in doing so they forever changed the face of their world sacrificing themselves and unleashing long dormant powers upon the lands Here in one volume are two thrilling tales of that chaotic time Port of Dead Ships by Andre Norton Destree m Regnant is an outcast amongst the Sulcars due to the strange circumstances of her birth and her unsettling ability to see the future But when she joins an expedition south across the sea her gifts may be the only thing that can save her and her shipmates when an ancient evil that ensnares souls sets its dark eye upon them Sea Keep by P M Griffin The proud rough hewn Falconers and the haughty nobles of the Dales have little to do with each other But when a fleet of marauding pirates begins ravaging the Dales the two peoples must look beyond their differences to face their common foe *St. James Guide to Science Fiction Writers* Jay P. NA NA,2015-12-22 *When Foundations Cry* Mercy Inusa,2025-12-08 This book is all about the battles men did not choose yet they were waiting for them before their first breath There are altars raised long before great grandparents existed and yet the smoke of those altars still searches for their children to great grand children children These cries are not the cries of babies no They are the cries of foundations The cry of a foundation is silent but powerful invisible but undeniable And as a shepherd to your soul and a woman who has stood in the trenches of prayer I need you to hear me today this is not a message of fear but a revelation of divine strategy Understanding your foundation and coming out in grace and stronger Some families like Naboth Ruth King Solomon and the alike received generational wealth or everlasting inheritance to the children but not many families hand down wealth land or wisdom but instead they inherited altars They handed down covenants idols deities oaths and spiritual agreements that were never cancelled Some inherited altars of polygamy where the same spirit rotates through generations Some inherited altars of poverty where no one rises beyond Some inherited altars of premature death or mysterious sicknesses that reappear like clockwork Some inherited altars of fruitlessness or family barrenness Some inherited altars of fear dreams torment or depression Some inherited altars of immorality marital instability or alcoholism Some inherited altars of witchcraft but the victim does not even know the source And some inherited altars of marine covenants where ancestors went to the water gods to seek longevity wealth influence or protection ignorant of the spiritual cost on their unborn generational line Which some are tired of managing Some are discouraged Some feel helpless And some out of desperation begin to seek help from prophets herbalists spiritists or foreign powers forgetting that the moment you consult another altar you become tied to that altar One of the greatest errors today among Christians is seeking extra power outside Christ The rock of ages Himself who can repairs restore and rebuild For every altar raised by the enemy in the hidden places of your bloodline God in His infinite foreknowledge erected a counter altar of grace For every cry of a fractured foundation heaven released a sound of redemption The enemy works in generations but our God is the God of Abraham Isaac and Jacob He is the Lord of generations The king of glory according to psalm 24 **Abba's Baby Girl's**
Mind Transformation Tracy B. Jones Ross,2022-11-07 Abba s Baby Girl s Mind Transformation Series 1 was written after my first minor surgery for my double mastectomy when my blood pressure dropped and I felt my life slowly leaving me I grabbed my OES sister s hand and began to pray in tongues After waking up from an emergency surgery to stop the bleeding I felt different I knew how it felt to die This feeling caused me to feel an urgency to do what God created me to do instead of doing my own thing During my recovery Abba God had me all alone with him to instruct me on how to get back on His path His Word transformed my thoughts during my trials and temptations causing my emotions and desires to change to God s will and allowing me to make clear choices that would bring me life instead of death The paths of life and death are written in the Bible which guides me back to the center of the cross to gain instructions for the battles I will have to face Each battle

causes an aftermath transformation which will cause a new testing of my faith in God with temptation and trials It was up to me whether I walk on the path of Abba or on the path of my own fleshly desires Abba gave me an equation to guide me on my journey TTEDCBA which means my temptation and trials will affect my emotion and desires The choices I make will cause a battle between my faith and my flesh The results of each battle will have an aftermath transformation After receiving the equation I heard a small voice ask me Who is dying waiting on you to tell your testimony so they can overcome the path of death So I began to write Abba s Baby Girl s Mind Transformation I pray that my story will help you avoid the pit of death by walking according to the cross compass of TTEDCBA *Gustavus Adolphus* Theodore Ayrault Dodge,1890
