He has fitted out his translation clearly the best of the four that have been made into English with notes that go well beyond the perfunctory and a 38 page introduction that is a delight to read. *Journal of Religion and Health* Barry Ulanov

What Is the Trinity? Dale Tuggy, 2017-06-11 If you find the Trinity confusing you are not alone. What does it mean to say God is three Persons in one essence? It might mean a number of things and it has been understood in several ways by theologians. But how should it be understood and how was it originally meant? This book shines light on the fog shrouding this subject, equipping you with basic information about the meaning and history of trinitarian ideas so that you can see the various options and search the scriptures with fresh eyes. Topics include: What does it mean to say that the doctrine of the Trinity is a mystery? Is it true that if you try to understand the Trinity you'll lose your mind but if you try to deny it you'll lose your soul? What is the first known trinitarian creed? What did the ancient bishops mean in saying that the Father and Son are one substance or one essence? Is it true as some Catholic scholars argue that the Trinity is not taught in the Bible although it is taught by later authoritative sources? What happened at and just before the Council at Constantinople in 381 and why are these events important? Is it a mistake to think that the Persons of the Trinity are persons in the modern sense of the term? Are the Persons of the Trinity something like God's three personalities? Why is it important to distinguish trinitarian formulas from trinitarian claims? Is the one God of the Bible an eternal loving perfect community?

The Trinity in the New Testament Arthur W. Wainwright, 2001-08-13 It is often said that the doctrine of the Trinity was implicit in the religion of the New Testament Christians but only received theological formulation when their successors reflected on the faith by which they were living. Mr Wainwright sets out to discover how far the writers of the New Testament were conscious of the problem involved in their faith which led to the working out of the doctrine by their successors. His conclusion based upon a meticulous examination of the evidence is that although they made no formal statement of the doctrine the problem was present in their minds and that

they were seeking to answer it So in so far as doctrine is an answer to a problem the doctrine of the Trinity emerges in the New Testament and is far from being a speculation inessential to the Christian message *Understanding the Trinity* Alister E.
