 A few years ago a friend of mine decided she wanted to do a collaborative project based in and around Bodie California Since  
 I was one of the few fiction writers she knew she asked if I d do a flash piece or two for it and I agreed I wrote a first person  
 flash fiction piece in the voice of a prostitute which is not included in this collection and a piece about the death of famous  
 western figure Madam Mustache a different version of which does appear in this manuscript and assumed I was done with  
 Bodie But as time passed even when my friend abandoned the original project I found I was still writing about Bodie  
 Something about it had me returning again and again At night I d find myself mentally walking the streets I hadn t seen since
