Trying Harder:

Good News for Those Trying Harder Alan Kraft, 2011-04-01 Countless believers are pursuing spiritual growth only to repeatedly find themselves spinning their wheels and making no progress Many are driven to just try harder Others feel a growing sense of failure and distance from God But for all involved it s a frustrating cycle What can we do when trying harder isn t working Author and pastor Alan Kraft invites us to be still still enough to hear the twin melodies that comprise the good news of the gospel brokenness and faith These core strains have the power to lift our exhausted heads so we may experience life to the full as Jesus promised Discover the power of a broken spirit embrace the wonder of living by faith and experience the joy found when you just stop trying

A Failure of Nerve Edwin H. Friedman, 2017-05-01 An invitation and guide for leaders to cast a courageous and imaginative vision to lead resiliently and to be present and steady in times of deep anxiety Ed Friedman s genius was to see the individual in the family in the larger group bringing the wisdom of his experience as a therapist and rabbi to the field of organizational leadership A timeless bestseller *A Failure of Nerve* still astonishes in this new edition with its relevance and continues to transform the lives of leaders everywhere business church family schools as it has for more than 20 years Offers prescient guide to leadership in the age of quick fix Provides ways to recognize and address organizational dysfunction Emphasizes strength over pathology in these anxious times The age that is upon us requires differentiated leadership that is willing to rise above the anxiety of the masses We need leaders who will have the capacity to understand and deal effectively with the hive mind that is us This is in Friedman s words the key to the kingdom I am grateful for this accessible new edition C Andrew Doyle Bishop Episcopal Diocese of Texas

Wisdom From the Margins William G. Britton, 2018-05-16 Henri Nouwen wisely said The great illusion of leadership is to think that man can be led out of the desert by someone who has never been there Jesus has been there and knows how to lead us out but first he just may lead us in He meets us in the desert and does his best work in us there We look for an easier way in vain I myself reluctantly entered the desert and eventually received unimagined gifts there gifts I didn t ask for deserve or want gifts hidden in such painful loss that I despaired and yet looking back now these desert gifts were the best thing that ever happened to me I entered the desert and years later found my way out It s not a new way it was just new to me Jewish and Christian sages had been living it for thousands of years Somehow in recent generations we managed to forget it In this collection I mean to begin to make those riches available to you I m hoping that like me you ll discover something that you didn t know you wanted or needed and something now you wouldn t give up at any price

Zen Heart Ezra Bayda, 2008 There s a secret to spiritual practice and it s surprisingly simple learn to be present with attention Do that and the whole world becomes your teacher you wake up to the sacredness of every aspect of existence and compassion for others arises without even thinking about it It s indeed just that simple says Zen teacher Ezra Bayda but that doesn t necessarily

mean it's easy especially when being present brings us up against the painful parts of life Bayda provides a wealth of practical advice for making difficult experiences a valued part of the path and for making mindfulness a daily habit He breaks practice down into three phases The Me Phase in which we uncover our most basic and tightly clung to beliefs about ourselves observe our emotions and become intimate with our fears Being Awareness in which we cultivate a larger sense of what life is transforming our limited experience into a more spacious sense of being Being Kindness in which we learn to connect with the love that is our true nature and learn to live from that place of kindness and compassion
