Campus Traditions Simon J. Bronner,2012-09-10 From their beginnings campuses emerged as hotbeds of traditions and folklore American college students inhabit a culture with its own slang stories humor beliefs rituals and pranks Simon J Bronner takes a long engaging look at American campus life and how it is shaped by students and at the same time shapes the values of all who pass through it The archetypes of absent minded profs fumbling jocks and curve setting dweebs are the stuff of legend and humor along with the all nighters tailgating parties and initiations that mark campus tradition and student identities Undergraduates in their hallowed halls embrace distinctive traditions because the experience of higher education precariously spans childhood and adulthood parental and societal authority home and corporation play and work Bronner traces historical changes in these traditions The predominant context has shifted from what he calls the old time college small in size and strong in its sense of community to mass society's mega university a behemoth that extends beyond any campus to multiple branches and offshoots throughout a state region and sometimes the globe One might assume that the mega university has dissolved collegiate traditions and displaced the old time college but Bronner finds the opposite Student needs for social belonging in large universities and a fear of losing personal control have given rise to distinctive forms of lore and a striving for retaining the pastoral campus feel of the old time college The folkloric material students spout and sprout in response to these needs is varied but it is tied together by its invocation of tradition and social purpose Beneath the veil of play students work through tough issues of their age and environment They use their lore to suggest ramifications if not resolution of these issues for themselves and for their institutions In the process campus traditions are keys to the development of American culture

Occultus Liber Neil Baker,2014-05-07 The dust roamed and in its midst the code Thus begins the revelations of Occultus Liber an epic tale of the journey of civilization through time and space With its collective cast of extraordinary characters both mythological and real the quest to discover the fate of planet Earth leads to a bizarre odyssey of Biblical proportions Satire abounds as dozens of players join the chase to dismantle God and claim the world as their own in this prophetic novel

Fighter: The Unauthorized Biography of Georges St-Pierre, UFC Champion Jerry Langton,2011-03-17 St Pierre is two time and current champion of the UFC's most desired and hotly contested weight class He has forced other fighters to go to great lengths in an effort to unseat him But he's more than that He's ramping up the

popularity of the sport itself and the culture around it St Pierre is a marketer s dream He s handsome charismatic and funny in a self effacing way He s Canadian fluently bilingual came up from a difficult background with a few personal tragedies and has never been involved with drugs or crime or had his love life make any headlines He s the man that the UFC is going to ride on in its quest to transform itself from niche market to mainstream It s already beginning While other UFC fighters have sponsors like gyms and equipment suppliers St Pierre has signed multi million dollar deals with brands such as Under Armour and is even following in the footsteps of such luminaries as Michael Jordan Peyton Manning and Sidney Crosby as a spokesman for Gatorade

Fighter details the life of St Pierre how his talent hard work and perseverance have paid off handsomely and how his star has risen in the psyche of mixed martial arts fans around the world It describes how he is held in high esteem by a huge number of Canadians despite the fact that his profession is looked down upon by many and is even illegal in several US States and Canadian Provinces St Pierre s ascent and fame have become a democratizing force pressuring the establishment to take Mixed Martial Arts and Ultimate Fighting seriously in ways that it would not have without him
