Uncertain Vision:

Uncertain Vision Georgina Born,2004 Based on the most extensive independent research ever conducted inside the BBC during which author Georgina Born was allowed unprecedented access to all ranks of the organization Uncertain Vision concentrates on the corporation during the later 1990s the last years of the regime of the former director general John Birt Blending reportage and cultural history it offers both a panorama of the BBC s history and an intimate portrait of the people that make it up producers directors editors accountants and managers   Beyond Habermas Christian Emden,David R. Midgley,2013 During the 1960s the German philosopher J rgen Habermas introduced the notion of a bourgeois public sphere in order to describe the symbolic arena of political life and conversation that originated with the cultural institutions of the early eighteenth century since then the public sphere itself has become perhaps one of the most debated concepts at the very heart of modernity For Habermas the tension between the administrative power of the state with its understanding of sovereignty and the emerging institutions of the bourgeoisie coffee houses periodicals encyclopedias literary culture etc was seen as being mediated by the public sphere making it a symbolic site of public reasoning This volume examines whether the public sphere remains a central explanatory model in the social sciences political theory and the humanities   **Public Issue Radio** H. Chignell,2011-09-02 Based on original and previously unseen written and sound archives and interviews with former and current radio producers and presenters Public Issue Radio addresses the controversial question of the political leanings of current affairs programmes and asks if Analysis became an early platform for both Thatcherite and Blairite ideas
