I Wasn't Lucky, I Was Blessed DeShannon Butler, 2020-10-19 Are you lucky or are you blessed Is there a difference between being lucky and being blessed Depending on the circumstances one would suggest the two are very subjective I believe when you are blessed you are giving a divined gift from God You cannot not be lucky to receive such miraculous gifts This notion of being blessed has been a life lesson for me As a child I always was taught to count my blessing and to always look to progress Against all odds I felt a calling on my life My life experiences have shaped me to be the person I am today I realized how sports served as a platform for my future success It is quintessential to say I learned early in life without being academically eligible I could not participate in sports No one was going to cut me a break because of my learning disability More and more this motivated me to try my best in school Fasten your seat belt You are about to embark on a journey of bravery of struggles of trials of defeat and of triumph At the conclusion of this book reflect on your own life and determine are you lucky or blessed **The Edison Project 2** David McCune, 2016-12-12 Major Tim Andrews is stationed at a top secret facility on the outskirts of Fort Bragg North Carolina Thomas Edison and his attending physician Dr Hubert S Howe co invent the time accelerator Almost one hundred years after President Woodrow Wilson legalizes time travel the Department of Inquiry assigns the Edison Project specific topics of interest to research both past and future events which are detailed in a highly classified government report With it the USG United States Government now holds over its citizens the key to ultimate power and control their destiny The story continues *Blackwood's Magazine*, 1889 [Lady Baby](#) Dorothea Gerard, 1890 [Confessions of a Catholic Schoolboy](#) Joe Farrell, 2009-12-03 A smorgasbord of entertainment and lessons awaits readers as author Joe Farrell releases through Xlibris a unique memoir *Confessions of a Catholic Schoolboy Jesus Runs Away and Other Stories* chronicles his journey as a student who enjoys a carefree life amid schools of rigid discipline and stern religious training In the early sixties being in a Catholic school means being compelled to always abide by the rules pray earnestly when told to do so study the lessons to answer questions correctly a yes or no answer should always be followed by Sister and never ever do anything that would upset or make the teachers mad Through vivid narration *Confessions of a Catholic Schoolboy* unveils the funny side that lurks behind the austere facade of Catholic Schools It follows the author as he finds himself caught up in different mischief during grade school and to even more grave misbehaviors including a police arrest during high school and college A baby boomer Farrell's life is one that is carved by the tumult of the fifties and sixties and the social and personal dramas that come along with it His is an interesting wave of colors brightened by adventure discipline lessons learned friendship and love Providing a good glimpse into the life of pure Catholic training *Confessions of a Catholic Schoolboy Jesus Runs Away and Other Stories* is a witty revelation of a schoolboy's shenanigans

and the ultimate inspiration one can get from them This memoir of growing up in the 60 s is full of Farrell s wit humor and irreverence yet it s a touching and poignant story A fun and enjoyable read **California.
