My Spring Jean A. Stockdale, 2013-04-01. An unusual memoir contrasting the lives of Royals with an ordinary working class Sheffield family. An aristocratic lady and a girl from Sheffield are born into large families at the height of the British Empire where grand houses had elephant foot stools, cutlery with ivory handles, tiger skin rugs, and Imperial Leather soap. In the north, horse and carts with rag and bone men shout, "Any old irons." The northern girl wears hand-me-down clothes and lives in a two-up two-down back-to-back house. The lady wears fine clothes and lives in grand homes. Both women experience turmoil and sadness in the First World War and they both marry in 1923. This book is about the parallel life stories of an extraordinary Royal lady and an ordinary woman as they go through life-changing upheavals and the fear of a second World War. They both have daughters in the same year; one was destined to be Queen and the other was to become the author's mother.

Jean A. Stockdale began by writing poetry before moving onto write the stories that lay behind each poem. *My Spring* is her look at the past through the unusual lens of her own northern family background and contrasting it with the Royal Family.

Selected Works of Laura Lee Hope Laura Lee Hope, Oh Bunny. Here comes Bunker Blue. Where is he? I don't see him. Bunny Brown and his Sister Sue were playing on the shady side porch of their house one morning when the little girl looking up from a cracker box which had been made into a bed where she was putting her doll to sleep saw a tall boy walking up the path. There's Bunker went on Sue to her brother Bunny at the same time pointing. Maybe he's come to take us for a ride in one of daddy's fishing boats. Have you Bunker asked Bunny standing up and brushing some shavings from his little jacket for he had been using a dull kitchen knife trying to whittle out a wooden boat from a piece of curtain stick. Oh Bunker have you. Have I what asked the tall boy who worked on the dock where Mr Brown the father of Bunny and Sue carried on a boat and fish business. Have I what Bunker asked again and he stood still and gazed at the two small children who were anxiously looking at him. Have you come to take us for a ride asked Bunny. In one of daddy's boats added Sue who generally waited for her brother to speak first since he was a year older than she. Not this time messmates answered Bunker Blue with a laugh calling the children the name one sailor sometimes gives to another. Not this time messmates I've come up to get the ark. Oh the ark cried Bunny. Did

you hear that Sue Bunker has come up to get the ark Oh Oh and Sue fairly squealed in delight Then we ll have a nice ride in that Wait Bunker till I put my doll away and I ll come with you Wait for me And I ll come too added Bunny I can bring my boat with me Tisn t all done yet he added but I can whittle on it when we ride along and then I can sail it when we get to the dock Now avast there and belay messmates cried Bunker Blue with a laugh using some more of the kind of talk he heard among the sailors that came to Mr Brown s dock with boats of fish Wait a minute I didn t say I had come to give you a ride in the ark I just came to get it But you will let us ride won t you Bunker asked Bunny smiling at the tall boy Cause we ll sit just as still as anything added Sue And I won t touch the steering wheel not once promised Bunny I guess you d better not not after you once got almost run away with in the big ark said Bunker I should say not Oh please let us come with you begged Sue We want awful much to ride in the ark Bunker While the two children were talking to the tall boy another little girl had crawled under the fence from the street and was now standing near Bunny and his sister She was Sadie West one of Sue s chums and when she heard Bunny s sister begging for a ride in the ark Sadie said Oh Sue is he going to take your Noah s ark away I wouldn t let him if I were you It isn t Noah s ark at all Sue explained We call the big automobile that we had such a long ride in the ark It looks a little like a Noah s ark but it s bigger and we can all get in it she added Oh exclaimed Sadie I thought Bunker meant he was going to take your little ark and all the wooden animals away she added Not this time said Bunker Blue Your father sent me up Bunny to get the big auto the ark as you call it It s got to be fixed and I m to drive it to the shop over at East Milford That s why I came up Where s your mother I want to tell her I m taking away the ark so she won t think some tramps or some gypsies have run off with it I ll call her Sue said while Bunny kept on brushing the tiny whittlings from his jacket and short trousers And there was a queer look on the face of Bunny Brown
