The Uncommon Hero Sofia R. Dhodia,2018-08-26 Things worked out in his favour He was well qualified Finding a job was not a difficult task for him anymore His first job was in the income tax department Soon he became known as the most eligible bachelor in the village He had an envious job and a charming personality His communication skills were very strong Unfortunately all these qualities failed when he fell in love with the most desiring beauty my mother Ranchod is a man on whom you can rely and relate with You may find him in your neighborhood at work place or may be in your own family He is

not easy to be around with Still you ll find a way to love and respect him The Uncommon Hero is the story about a simple man who has struggled thoroughly to provide himself and his family a comfortable life He is not a man with any super power but his love and duty towards his family is extraordinary His life is a mirror that reflects the daily struggles of any middle class man who though interested in the happenings around the world has his mind focused on his small day to day routines The hero of this story falls under the category of those people who are also responsible to pay their due taxes to the government in time for the development of the nation For it is because of such people like Ranchod that we still believe in humanity and the sanctity of benevolence Such heroes are born every day Their stories never make it to the newspapers or the magazines However when they go they leave behind a memory which stays alive for a long time in the form of their descendants who would continue giving such silent heroes to the world in the ever hopeful future *The Measure of a Man* Marie Ferrarella,2010-07-17 Jane Jackson This quiet girl has battled loneliness since a car accident left her an orphan and an unhappy marriage left her alone with a small child Now a devoted single mom and assistant to everyone s favourite English professor Jane has no time for romance not even with the boy now man she d never been able to forget Smith Parker Smith seemed to have it all good looks good grades and limitless opportunities But when he was falsely accused of stealing a much needed scholarship evaporated along with his motivation and the college dropout became resigned to a life of menial jobs Still the right woman might make him see that it s never too late to reclaim what might have been *MacMillan's Magazine* Sir George Grove,David Masson,John Morley,Mowbray Morris,1893 **Because a Husband Is Forever** Marie Ferrarella,2010-07-17 When talk show host Dakota Delany agrees to allow bodyguard Ian Russell to shadow her for two weeks she doesn t count on constantly battling the drop dead gorgeous man who monitors her every move And she definitely doesn t expect the strong and silent Ian to immediately take hold of not only her safety but also her heart Strong willed feisty Dakota is hardly Ian s ideal client but she might just be something more his perfect match And it would be more than a ratings triumph if the warring opposites put aside their differences and stopped protecting themselves from their shared fear true love **Army Reserve Magazine** ,2001 **Lights, Camera, Disaster** Erin Dionne,2018-03-27 A budding filmmaker with executive function disorder figures out how to become the director of her own life in this funny relatable middle grade novel from Erin Dionne Hester Greene loves making movies With her camera in hand she can focus make decisions and have the control she lacks in life where her executive function disorder think extreme ADHD plus anxiety sabotages her every move But middle school is not a movie and if her last ditch attempt to save her language arts grade and her chance to pass eighth grade period doesn t work Hess could lose her friends her year even her camera It will take more than a cool training montage to get her life together but by thinking outside the frame she just might craft a whole new ending Written partially in script form with STOP PAUSE PLAY REWIND moments throughout this laugh out loud story will speak to any budding filmmaker or unintentional troublemaker in every act of their lives *The Home-maker* Marion Harland,Jane Cunningham
