God's covering David Palmer, 2013-06-18 Concerned that many Christians and churches live below their potential David Palmer wrote this book to show how to be empowered under God s covering successfully He provides an illustrated explanation of righteousness one that takes right standing out of the realm of theological concept into a practical applicable hands on understanding of our position in Christ and everyday living He also gives a profound understanding of how Jesus type leadership faith prophecy intercession and gracious words provide a supernatural covering under which believers an grow in grace to their maximum potential without unnecessary hinderances This book contains revelation vital to anyone wanting to live an empowered Christian life or desiring to provide leadership that facilitates the empowering of others

Under God Edward Chavez (Jr), OhioLINK Electronic Theses and Dissertations Center, 2014 Since the inception of the Pledge of Allegiance the government of the United States of America has had to work with its citizens to define and extrapolate the meanings found within When the phrase under God was introduced in the 1950s discussion was broadened to include the relationship between church and state In an effort to understand the meaning behind the oath this thesis will reach into the field of cognitive linguistics to show that the wording of the Pledge specifically the use of under God is ambiguous and as a result ought to be omitted This thesis explores each use of the word honing in on the ideas of subjugation and verticality and finally shows that the wording has led to an unequal distribution of power within American society and that the wording of the Pledge voids the oath if the reciter does not believe in a God *One Nation Under God* Barry

Kosmin, 2011-03-09 Based on the most extensive survey ever conducted on religion in America One Nation Under God delivers surprising revelations about the religious beliefs practices and affiliations of Americans These statistical findings provide rich material for interpretation of the uniquely American religious experience Publishers Weekly *Report* United States. Congress. House, **Under God, Part One** Sun East, 2018-03-04 America needs God This nation belongs to God Without God we will perish Without God we are all lost The founders of this country knew that we are nothing without God Now let s examine our hearts and this country where is Jesus The gospel of Jesus is slowly disappearing from our land We need to bring the gospel back to this land Commentary on the Book of Hosea **Lincoln's Gettysburg Address** A. E.

Elmore,2009-11-20 While it has long been determined that Abraham Lincoln s writings were influenced by the King James Bible until now no full length study has shown the precise ways in which the Gettysburg Address uses its specific language Refuting the view that the address was crafted with traditional classical references this revealing investigation provides a new way to think about the speech and the man who wrote it A E Elmore offers chapter and verse evidence from the Bible as well as specific examples from the Episcopal Book of Common Prayer to illustrate how Lincoln borrowed from these sources to imbue his speech with meanings that would resonate with his listeners He cites every significant word and phrase conceived brought forth struggled remaining consecrate dedicate hallow devotion new birth to name a few borrowed by Lincoln from these two religious texts for use in his dedication of the Gettysburg National Cemetery Lincoln s Gettysburg Address focuses on a number of overlooked themes and ideas such as the importance of literary allusion and the general public s knowledge of the Bible in the age of Lincoln It provides fresh answers to old questions and poses new questions Was Lincoln a common thief who made use of words from previously published materials as well as from works by his contemporaries Was he a genius whose literary and political skills were unmatched No one who reads this highly engaging study will ever think about Lincoln or the Gettysburg Address the same way again **But What About God's Wrath?**

Kevin Kinghorn,2019-11-19 How can a loving God also be a God of wrath Using a philosophically informed line of argument and a careful study of the relevant biblical texts Kinghorn and Travis show how these two aspects of God s character can be reconciled Instead of assuming that God s just response to people is incompatible with a loving response the authors instead view God s love as a strictly essential divine attribute with justice as a derivative of love **The Reformed Presbyterian and Covenant** ,1894 *An Explanation of the Assembly's Shorter Catechism* Thomas Vincent,1854 **A Homiletic Encyclopaedia of Illustrations in Theology and Morals** Robert Aitkin Bertram,1889 **I Believe in God the Father** John Faville,1919 **Character Studies in the Old Testament** James RANKIN (Minister of Muthill.),1875 **History of Texas Baptists** Benjamin Franklin Fuller,1900 **Abberley Manor, Worcestershire** John Lewis Moilliet,1905 *Hafed, prince of Persia: his experiences, being spirit communications received through D. Duguid, with an appendix [compiled by H. Nisbet].* David Duguid,1876 *The Latter-Day Saints' Millennial Star* ,1908 **The liturgical year, tr. by L. Shepherd.** **Continuation [by L.
