*Donald Trump* Jon Huer, 2017-05-24 We in the U S have deserved someone like Donald Trump as our president for some time Until now by a string of luck we had mostly centrist presidents both Republican and Democratic some with only a modicum of intelligence and humanity With Donald Trump however we finally ran out of luck and he is our sitting president Now the spotlight is focused on him but we easily forget that he is after all a product of his own society Trump s rise to power owes itself to its own social historical circumstances For decades now America s Consumer Society had prepared the American voters mostly White to find someone like Trump as their leader by supplying them with around the clock distractions that made them feel good happy and falsely powerful Trump s ascendancy could not be possible without our consumption of daily entertainment which makes us selfish childish and idiotic human beings Such minds are easily affected by anxiety anger and vengefulness In our daily sea of popular entertainment of mass circulation we have become trash cans Mental Trash Cans that exist just to process trash that enters and leaves our minds almost at the same time This wasted mind America s most celebrated symbol of success that is created by its best and brightest keeps us away from one another as we become privatized citizens and neighbors in our individual cocoons lonely scared dumbed down living and dying our solitary unconnected lives Into this vacuum of intelligence and humanity enter Donald Trump the entertainer billionaire now the President who with his brand of populist Fascism challenges the powers of entrenched Corporate America and all of its mind captivating arsenal He successfully conquered White Americans by separating them from non whites thus revealing America s nationalism and racism hitherto papered over in its Liberal Capital consumer paradise The common Americans whether White or non white possess two prized items that Corporate and Political America covets and wants to take from them the dollar and the vote The American Masses now as garbage fed children are neither smart nor united enough to protect the two critical weapons of their democracy Trump s presidency proves it

**The Dirty South** ,2023-11-15 The Dirty South examines the shifting significances of the South as a constructed fantasized region in the American psyche particularly its frequent association with tropes of dirt that emphasize soil garbage trash grit litter mud swamp water slime and pollution Beginning with iconic works from the 1970s such as *Deliverance* and *The Texas Chainsaw Massacre* James A Crank traces the image of a dirty South into the twenty first century to explore the social political and psychological effects of the region s hold on the imaginations of southerners and nonsoutherners alike With a focus on media forms through which southern identity gets articulated and questioned including horror movies *Swamp Thing* comics and popular music by artists such as Waylon Jennings and OutKast The Dirty South probes the sustained fascination with southern dirtiness while reflecting on its causes and consequences since the end of the civil rights era Highlighting the period from 1970 to 2020 during which the South began to represent several new possible identities for the nation as a whole and for the area itself Crank considers the ways that southerners have used depictions of dirt to create and police boundaries and to contest those boundaries Each

chapter pairs prominent literary or cultural texts from the 1970s with more contemporary works such as Jordan Peele's film *Get Out* which recycle similar investments or critically challenge the inherent whiteness of the earlier images. By historicizing fantasies of the region and connecting them to the first decades of the twenty-first century, *The Dirty South* reveals that notions about southern dirtiness proliferate not because they lend authenticity or relevancy to the U.S. South but because they aid so conspicuously in the zombified work of tethering investors real and imagined to a graveyard of ideas.

*Game Plan* Kevin Freeman, 2014-01-06 An expert in economic warfare and financial terrorism describes how investors at all levels must be ready to strategically adjust to events and emerging risks and offers a game plan of offensive strategies and attacks to prepare for the unpredictable.

All though this is a story about my life and my choices as you read this please remember that it is never too late to change your future. This is not meant to be a sad story but one of victory. It is my hope that some would be healed.

**Green Religion** Sylvester L. Steffen, 2010-09-03 Deep heart cosmic communication radiates truths of relationships in common and the fact that common ground is wave particle pulsation sustaining and transforming all at the same time. The light of the world is wave particle electromagnetic photon. We are the shining self understanding of the cosmos the scintillating light of Divine Instance in nature. Shine on Shine on Oh Cosmic Christ. The common anointing of universal priesthood is the Christic consciousness of universal transformation. Green religion is the essential consciousness of existence in common and the human distinction of self aware purpose in transformation and in the fleeting reality of individual existence. The beauty the glory this ictus in time is to be savored in the moment for all individual realization is in the moment. The past is non reality the future is non reality reality is in the moment accomplishments and failures of the past project into the future. The ascendant consciousness of self reflection is the conscionable responsibility of living mindfully in the moment grateful for the beauty and the glory of being a crowning achievement of the past as well as the hope for the future. The cultural spectrum is nothing other than the grand evolution of the electromagnetic spectrum the ground being and becoming of life. The greening of religion is about the florescence of all life always in process of self justification. Conscionable living is justified living.
