## **Trinity Community And Power:**

Trinity, Community, and Power M. Douglas Meeks, 2000 Bringing together major papers presented at the tenth Oxford Institute of Methodist Theological Studies Trinity Community and Power offers readers a multi faceted analysis of Wesley s doctrine of God Revealing Wesley s insights into the nature of God for his understanding of salvation revelation and ethics this volume helps readers understand how a doctrine of the mission of the church is rooted in Wesley s understanding of God

Power and the Powers Andrew R. Hardy, Richard Whitehouse, Dan Yarnell, 2015-10-12 Missio Dei by its very nature requires the church to come to terms with the exercise of power both internally and externally as it confronts the world Tune in to any newscast or glance at the daily newspaper and it immediately becomes clear that the use and abuse of power is a live issue The more we focus on the twists and turns of current events the more it appears that uncorrupted exercise of power eludes the human race All too often we become uneasily aware that there are powers lying behind the power that any of us wields whether it is in the family the classroom on the shop floor in the boardroom or in churches Effective missional leadership involves creative engagement with the powers at work in the world without being debased by them This book sets out to address the issue of the use and misuse of power from biblical theological and practical perspectives The authors bring their theological pastoral missionary and personal experience to their task in order to inform challenge and invite readers into a responsible use of the powers that God has put into the hands of each one of us to achieve his purposes in the world

Wesleyan Beliefs Ted Campbell, 2010 Details core beliefs as consistently expressed in historic Wesleyan communities

Rethinking Trinitarian Theology Giulio Maspero, Robert J. Wozniak, 2012-03-01 *Trinity Community Church, Grand Rapids, Michigan ...* Trinity Community Church (Grand Rapids, Mich.), God as Sacrificial Love Asle Eikrem, 2018-01-25 In dialogue with a range of post enlightenment critiques of Christian theologies regarding sacrificial love Asle Eikrem presents an unconventional systematic approach to this multi layered and complex theological topic From Hegel to prominent 20th century theologians from feminist theologies to postmodern philosophers this volume engages in a critical conversation with a host of different voices on all the classical topics in theology creation trinity incarnation atonement sin faith sacraments and eschatology also providing a moral and socio historical vision for Christian living The result is a unique appraisal of the significance that the life and death of Jesus holds for the world today

**The Idea of Human Dignity in Korea** Hyung-Kon Kim, 2007 This study explores the idea of human dignity in the Human Dignity Clause stipulated in the Constitution of South Korea maintaining that to indigenize the imported ideas of human dignity in Korean society the idea must not only be translated into terms resonant with Korean culture but must also be implemented in the institutions of Korean society

Charles Wesley Kenneth G. C. Newport, Ted Campbell, 2007 For the first time in history this timely landmark volume brings together contributions from the leading scholars working on the life and work of Charles Wesley Published in time for the 2007 tercentenary of Charles Wesley s birth this volume celebrates the continuing importance of Charles Wesley as one

of the major figures of 18th century Christian history one of the most prominent hymn writers of the English speaking world and one of the founders of the worldwide Methodist movement The contributors include Jeremy Gregory Geoffrey Wainwright Henry Rack Paul Chilcote Anna Lawrence and Susan White

**South Oak Cliff Corridor Alternatives Analysis, Dallas** ,1991      **South Oak Cliff Corridor in Dallas County, Texas** ,1990      **Journal of Theology for Southern Africa** ,2004      **The Churchman** ,1907      **The Power of Community : a Collection of Essays on the Evolution of Christian Community in the 90's and Beyond** Trinity Anglican Church (Aurora, Ont.),1996      *Holy Trinity, Perfect Community* Leonardo Boff,2000 Why be concerned with the Trinity What does it mean to say I believe in the Father the Son and the Holy Spirit In this accessible work Leonardo Boff takes up the ancient doctrine of the Trinity showing its meaning and relevance for Christian faith today In a series of short chapters Boff unpacks the mysteries of the Trinity spelling out the difference it makes to believe that God is communion rather than solitude Instead of an image of God as solitary ruler standing aloof above a static universe belief in the Trinity means that at the root of everything there is movement there is an eternal process of life of outward movement and love While comprehensive in his treatment of the theological and anthropological dimensions of the Trinity Boff is especially interested in the social implications In the Trinity we find a program of liberation to the infinite degree difference and distinction equality and perfect communion The Holy Trinity is among other things the image of the perfect community At the same time in the Trinity we find the best image of the church not a hierarchy of power but a community of diverse gifts and functions Thus comprehension of the Trinity in which God comes out to meet us in the full realization of our yearnings empowers our efforts for a better world and a more faithful church Book jacket Jacket      *The International Cyclopædia* ,1895      *Rethinking Wesley's Theology for Contemporary Methodism* Randy L. Maddox,1998 One of the most surprising developments in contemporary Methodist theology is the degree to which leading Methodist and Wesleyan systematic theologians are reengaging John Wesley finding his works instructive provocative and stimulating for their own theological reflection Such a broad and purposeful dialogue with Wesley by theologians of the Wesleyan heritage is unprecedented in this century and much rarer in the previous century than is popularly believed This volume presents a set of original essays that represent and embody this new engagement allowing the reader to see how several prominent theologians are self consciously reexamining and reappropriating their theological tradition
