*Factual Faith - Belief Founded on Truth* Jaco Prinsloo, 1900 Today there are more than 10 000 religious beliefs in the world Your belief in the supernatural or the lack thereof will be among the myriad of beliefs that are held by various peoples and nations in this world How did you choose your belief system and are you 100% sure that what you believe is actually true Can you offer reliable proof to those in search of answers to substantiate your viewpoint on the matter Have you ever asked yourself why we as humans no matter where we find ourselves on the planet are the only creatures with a built in need to worship some form of Deity We walk around with so many more irrational beliefs than we realise and this can have an extreme effect on the way we think and behave We have been bombarded with information and influenced by our upbringing The foundation of our unique cultural development lies in the influence of our nurturing by parents in our personalities and the interaction with our environment and our peers In recent years people have been taught to adopt a relativistic viewpoint and not to think critically about subjects they would rather accept the popular mind set even when refuting factual evidence stares them in the face If you do not agree with what the majority sees as true and trendy it can negatively affect your social status and even your career and who wants that Prinsloo gives a sincere and accurately researched look at the flaws in modern day perceptions on extremely profound life issues If you have been intrigued by the Universe and the complexity and diversity of life on Earth and doubted the reality of the spiritual this book will bring you to the realisation that it is the one

subject in which you can have 100% confidence of it being factual and true You have probably asked many questions on matters pertaining to the very essence of your being and on the truth about the Universe life and the world in which we live as philosophers and scientists have done over centuries In this book you will find your answers based on provable facts and thorough scientific verification presented in an accessible and logic fashion This work challenges mainstream theories like Relativism and Darwinism and offers innovative evidence for belief in the supernatural through verifiable evidence in an enjoyable and interesting way It provides tangible proof which you can easily verify for yourself You will be challenged by questions like How does one prove something to be factual and true What are the motives for accepting unfounded beliefs and why keep on believing in something that is already proven false Would you have more confidence in your belief if you had access to scientifically provable facts that supported and substantiated your viewpoint Does God exist Can we prove that He exists Who is He really and what are the implications for my life Whenever you encounter new ideas or views you will be called upon to contrast them against those concepts and theories that you have always believed to be true Many of these ideas and theories have simply been chosen and adopted by people in defiance of the truth since the alternative would not fit their worldview or the responsibility it would require of them This book will help you not to become an influenced victim of untrue modern trends but will place you in a position of knowledge and authority to defend your beliefs Read this ground breaking book you who dare and the secret motives of your belief system will reveal themselves to you *Forthcoming Books* Rose Army,1999 **The Long Count** Andrea Klosterman Harris,2010-09-04 What happens when the Long Count ends That s what a team of scientists situated near Izapa Mexico sets out to determine in the years leading up to December 21 2012 the end date of the Long Count the ancient Mayan calendar which some believe predicts the end of the world When infighting threatens to break up the team before the solution is found one unscrupulous member advances a theory that puts world armies on alert brings religious organizations to a tipping point and global society to a panic As thousands flock to Izapa on the end date to wait for the world to end the team realizes too late that the danger they thought would come from outside the human race actually comes from within **Truth Seeker** ,1925 *FORBIDDEN HISTORY: Sacred Texts* Ben Wilder,2025-09-04 What if the Bible you know is only part of the story For centuries powerful councils and institutions decided which scriptures would be preserved and which would be buried banned or burned Behind closed doors entire books were erased from the canon leaving only hints of their existence in scattered references But fragments of these forbidden writings survived and they reveal a far more complex picture of faith history and human destiny In *Forbidden History Sacred Texts* you ll uncover The Book of Enoch and its astonishing stories of angels and giants The Gnostic Gospels of Thomas Mary Magdalene and Judas with teachings that defy orthodox belief The Dead Sea Scrolls and the hidden wisdom of the Essenes Lost apocalypses and prophecies that once shaped early Christianity The Vatican s guarded archives and the secrets they may still contain Written in a captivating accessible style this book blends biblical history hidden scriptures and

**Lightbearers** Amandabeth Williams,2006-08 Justin was an ordinary teenager with ordinary questions or so he thought The answers he finds to his questions lead him on a journey of faith in God and belief in the impossible The Genesis Factor Yacov A. Rambsel,2000 Beginning with the very first verse of Genesis and continuing through its entire first chapter Yacov Rambsel has found a magnificent matrix of insights which are cryptologically structured words phrases and even statements that reach beyond time and space as we know it Without the aid of modern computers he has utilized the code technique known as equidistant letter sequence ELS to discover an immense mine of deeply embedded jewels of biblical revelation in this foundational chapter of Genesis A History of the Apocalypse Catalin Negru,2023-01-20 Religion For thousands of years this thing has dictated which people should live and which people should die what shape our buildings should have or what colors our garments should contain what food people should eat or what words people should speak If religion is the opium of the masses then beliefs about the end of the world are like overdoses People touched by such beliefs no longer rely on a hidden personal and intimate god contemplated upon from the safe distance of the beating human heart They live with the promise of divine intervention at a grand scale on the current coordinates of space and time This can be an exceptional motivator and a game changer in terms of civil obedience both at an individual and collective level In the name of an immediate and palpable deity people can commit shocking cruelties However such belief can also account for some of the most exceptional social developments in human history The Pacific Reporter ,1903 Bible Review ,1997 ... Bible in Schools Plans of Many Lands Wilbur Fisk Crafts,1914 The Truth Seeker ,1893 Evidence-Based Technical Analysis David Aronson,2007 Evidence Based Technical Analysis examines how you can apply the scientific method and recently developed statistical tests to determine the true effectiveness of technical trading signals Throughout these pages expert David Aronson details this new type of technical analysis that unlike traditional technical analysis is restricted to objective rules whose historical profitability can be quantified and scrutinized Evidence Based Technical Analysis provides you with comprehensive coverage of this new methodology which is specifically designed for evaluating the performance of rules signals that are discovered by data mining Experimental results presented in the book will show you that data mining a process in which many rules are back tested and the best performing rules are selected is an effective procedure for discovering rules signals Jacket Herald of Truth ,1906 Bible in Schools Plans of Many Lands ,1914 **Current Religious Thought** ,1903 **Hibbert Journal** ,1904
