The X-Manual Peter J. Bellini, 2022-04-07 The title of the book The X Manual is taken from the word exousia from the subtitle It is the Greek word for authority The word is used throughout the New Testament For our purposes it is used to express the divine authority or right to cast out demons I have given you authority exousia to trample on snakes and scorpions and to overcome all the power of the enemy nothing will harm you Luke 10:19 NIV Jesus gives believers authority to cast out demons This book is about spiritual authority over evil The X Manual is a practical how-to handbook for clergy and laity on deliverance and exorcism One reason I wrote the book is because so few understand and/or operate effectively in deliverance ministry Nowhere is the church more inadequate or excessive than in deliverance

ministry The X Manual contains specific time tested biblical instructions on selecting and training a deliverance team pre deliverance work the deliverance session post deliverance work and other useful tools like the C1 13 instrument that helps determine if one needs deliverance Deliverance is essential to the church s New Testament healing and evangelism ministry It is time for the church to walk in the authority and power that Christ gave us to set the captives free **A Devil's Vaudeville** William J.
