SPARK ACTION - How To Lead Change

The Future of Work: Leaders Succeed in Disruption

Do you want to become a leader in the future of work? The future of work is full of disruption and change. To succeed in this new environment, you need to be a leader who can navigate change and inspire your team to do the same. This guide provides 8 leadership habits for complex times to help you become a leader in the future of work.

1. **Be a role model**
Be a role model for your team and hold yourself accountable for your actions. This means being transparent about your own struggles and failures, and showing your team how to overcome them. It also means being consistent in your actions and words, and demonstrating the values and behaviors you expect from your team.

2. **Communicate a clear vision**
Communicate a clear vision and strategy and ensure everyone is aligned and working towards the same goals. This means being clear about what you want to achieve and why it matters, and providing your team with the resources and support they need to succeed. It also means being open to feedback and adjusting your vision as needed.

3. **Check in regularly**
Check in regularly with your team to understand the challenges they are facing and how to solve them. This means taking the time to listen to your team members and their concerns, and providing them with the support and resources they need to overcome their challenges. It also means being available to your team and showing your interest in their well-being.
